Dog Policy

As the owner of the dog(s) described above, I affirm that my dog is gentle, well-trained, and exhibits no aggressive behavior.

1. **Dog Supervision:** I agree not to leave my pet(s) unattended in my room if I know they may be destructive or if they are likely to bark or whine. While brief absences may be acceptable, I agree not to leave my pet alone for extended periods. Dogs can become anxious in unfamiliar environments, which could disturb other guests. Please be considerate of fellow guests who may prefer a quiet environment. Additionally, if I do step away, I will inform the front desk and provide a cell phone number where I can be reached.
2. **Pet Limits:** Only two dogs are allowed per unit. The pet fee is \$20 per day for each dog. Cats are not permitted.
3. **Liability and Responsibility:** I accept full responsibility for any damage or injury caused by my dog, including any claims, losses, costs, and expenses (including reasonable attorney's fees). I agree to reimburse Sunset Bay Resort for any damages or costs incurred and to indemnify, hold harmless, and defend the resort, its owners, agents, and employees against any claims or damages arising from my pet's behavior.
4. **Objectionable Behavior:** If my dog is deemed problematic by other guests or resort staff, I agree to promptly remove my pet from the resort upon request, if a suitable compromise cannot be reached. I also agree to cover any expenses related to compensating guests who are disturbed by my pet (e.g., barking).
5. **Public and Common Areas:** My dog must be on a leash or in a crate when in any public or common area within the resort.
6. **Housekeeping Services:** Housekeeping services will not be provided in units with pets unless specifically requested. If my pet cannot be removed during housekeeping, I will either be present with my dog during service or decline the service.
7. **Lake and Beach Restrictions:** Per Lake Delton City Ordinance, dogs are not allowed in the lake or on the beach.

Thank you for your cooperation and understanding in ensuring a pleasant stay for all our guests.

I understand that pets are NOT allowed on the beach area or lake.
