BOOTH LOCATION / SELECTION

Diamond and Platinum sponsors will be provided with a booth layout prior to final booth selection, by EMAG, to indicate preference on booth selection. EMAG will make all reasonable attempts to ensure booth preferences are awarded to these sponsors before assigning other sponsor levels. Diamond and Platinum booth awards will be on a first come, first serve basis.

All other sponsorship levels will be assigned booths by EMAG. Booths will be assigned based on the needs of individual sponsors, sufficient separation between competing companies, and other factors determined by EMAG.

VEHICLES / ADDITIONAL SPACE

Vehicle space will be limited this year due to space allocations at the convention center. Due to this, vehicle displays will be approved on a first come, first served basis. Vehicle placement will be outdoors in the “Porte Cochere” area located near the main lobby doors. (SEE MAP ON PAGE 11)

Additional space may be available to sponsors / vendors. The location of additional space will be dependent on the number of booth rentals and remaining available space. EMAG reserves the right to change or modify additional space as needed based on input from the convention center and or local fire marshal’s office.

Vendors must rent enough space to contain their entire display.

When registering, please indicate if you will require additional space or intend to bring vehicles. Additional charges will apply.

ELECTRICAL / INTERNET

Electrical and internet service is available to each booth space. These services are handled directly between the sponsor / vendor and the convention center. Wireless internet is provided as a complimentary service however you may also request a hard line to your booth if needed.

Both electricity and internet service request are completed in the same form. Again, this is the vendor’s responsibility and is between the vendor and the convention center. (SEE FORM ON PAGE 9) **All orders need to be submitted to Abigail Pittman at apittman@jekyllisland.com.**

SPONSOR / VENDOR ATTENDEES

Every attendee must be registered prior to entering the event. Each sponsorship level includes a certain number of attendees based on the level you selected. Any attendees above the number provided for in your sponsorship will need to complete registration. When completing the registration for sponsorship you will be provided with an option to add additional attendees.

Once registration is complete you will receive a separate email containing a code to use for the attendee registrations included in your sponsorship level. This code must be used for those included in your sponsorship level to prevent them being charged as additional attendees.
