The Fairways Notes for April

Grills

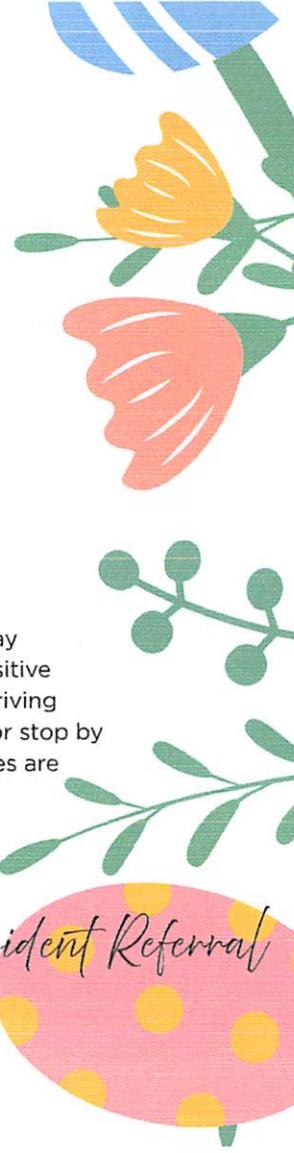

City Ordinance prohibits the use of outdoor grills on the patios or balconies. You may grill at a minimum of 10 feet from the building structure. The City of Longview will fine you \$500 if caught. The grill must always be accompanied by an adult until the grill is cooled and put away. Please dispose of used coal properly and safely. We provide a grill in the picnic area for resident use.

Parking

Please do not park in posted "No Parking" Areas, reserved parking, or handicap spaces. Violators may be towed away at your expense (including guests and rental vehicles). Please be sensitive to reserved parking #'s. Towing is enforced on those spaces. When driving through the property, please do not exceed 5 miles per hour. Please call or stop by the office to update your vehicle information. Reserved parking spaces are available for an additional \$25.00 per month.
