Fun fact about August

- **The first sandwich:** The first sandwich was supposedly created on August 6, 1762, when the Earl of Sandwich requested food that could be eaten with one hand.
- **National Family fun month:** August is designated as National Family Fun month encouraging families to spend quality time together
  - **Starting day:** In a standard year, no other month begins the same day as August 1<sup>st</sup>.
  - **August Moon:** Full moon August 9, 2025

### **Word of Advice from Maintenance**

**Fairways is your home, and we encourage each resident to help keep it maintained by taking pride in your apartment.**

- Make sure to report any issues you may be having in your apartment. If you delay reporting maintenance problems; it could lead to additional damage that you could be charged for.
- Garbage disposals are not food disposals. You can clog or damage the machine if you put large amounts of food items in your garbage disposals. Please clean off food from dishes before rinsing and putting in your dishwashers.
- Grease and oil can damage and built up in pipes. Please put oil and grease in a container and throw it away.
- Wipes & paper towels are not made to flush, even if the packaging states flushable, these are often the cause for buildings backing up and costly repairs.
- Report any water leaks. This saves you money on your water billing and may prevent further damage.
