

## Self-Care Items for

### Non-Voluntary Contributions

#### **Policy**

We ask that all parents who wish **not** to take part in the voluntary contribution, to please provide the following hygiene and self-care items...

- Wipes
- Suncream
- Nappies (this applies to all parents as per our nappy policy)
- Nappy sacks
- Nappy rash cream

We ask that these items are clearly labelled and fully stocked in your child's bag for each day that they attend.

Failure to provide these items may result in us needing to contact you to ask for them to be bought into the setting. In extreme cases, we may need to charge for use of our emergency supplies, this is at the manager's discretion.
