

ABOUT US

U.K. Imports was established in 1984 with our corporate office based in Orlando, FL. We offer a variety of imported food products from the United Kingdom, and other European countries. We are a full-service DSD vendor with over 35 years in the mainstream market. All of our service personnel are solely dedicated to having a thorough knowledge of British foods. Our sets are customized to fit the needs of individual stores in a variety of markets. All product selections are closely monitored to keep things fresh and focused on current trends. This catalog shows a wide variety of the most popular products we have to offer. We strive to provide excellent service to meet all of your customer needs. Let U.K. Imports be your DSD vendor, Specialty shop, or ecommerce supplier, for great British products.
