BRIDGEPORT HIGH SCHOOL GOLF

Bridgeport High School's golf team finished in fifth place in what proved to be a very long second day of action in the Class AAA golf championship held at the Oglebay Resort in Wheeling on The Jones Course at Speidel Golf Club.

The duo of Audrey Kerr and Alex Randolph led the way in the second day of action. Kerr led the team on day two with a 79, while Randolph finished with an 81. Randolph's two-day total was 159, while Kerr's total was 163.

"It was great to see these kids compete at the state level. All of them worked hard throughout the season and gave everything they had in Wheeling," said Coach Chris Kerr. "Congratulations to Alex and Audrey on making all state."

BCC WOMEN'S GOLF ASSOCIATION

The women of the Women's Golf Association continue to play golf on Tuesdays beginning at 10:00 a.m. weather permitting for the remainder of the golf season.

The Women's Golf Association wishes everyone a very Happy Thanksgiving!

GROUNDS COMMITTEE

We've finally made it to the end of the growing season. I'd like to thank everyone for their patience during our cart path paving project this year. They completed the last few areas this past week on the golf course.

We will be repairing edges with top soil where necessary into the early winter and next spring. Greens have been cut after aerification and will continue to slowly heal. Once we are done cutting greens for the season a topdress will be done then a winter snow mold spray will be applied.

We are also finishing up cleaning out old bunker sand and checking drains on holes 1,6,7 fairway bunkers then adding fresh new sand.

Thanks again and I look forward to seeing everyone next weekend for the Revenge.
