Men's Lockers- If you are interested in having a locker for the 2026 season, please let the golf shop know. The fee is \$100 annually. If you currently have a locker and no longer want one, please inform the golf shop before the end of February, return keys and remove your items so that you are not billed.

Bag Storage- Tired of lugging your clubs around in your car? Let us take care of it for you. We will keep your clubs clean and ready to go when you arrive to play or practice. The fee for bag storage is \$125. If you currently have your clubs stored with us and no longer wish to have bag storage, please let the golf shop know by the end of the month.

Grips are in Stock! - The golf shop is fully stocked with grips from Golf Pride, Winn, Lamkin and many more. Don't wait until spring to replace those slick and worn out grips. Having new grips is one of the easiest ways to improve your ball striking. Worn out grips cause increased grip pressure which is a killer in golf.

A NOTE FROM THE PRO

Spring is almost here, and the golf staff is excited to welcome everyone back for another great season at Bridgeport Country Club. Our 2026 tournament calendar is full of fun and competitive events designed for golfers of all skill levels.

We will once again be offering Ladies' Night events, Men's Night events, and Couples Golf Nights, along with additional opportunities throughout the season for beginners, casual golfers, and those looking to compete. We also have several clinics planned to help new golfers learn the game and feel more confident on the course.

Junior golf continues to be a major focus at BCC, and we are excited to offer multiple opportunities for juniors to learn, improve, and enjoy the game in a fun environment. Signups are now open for our Spring Junior Golf Clinics beginning in April and running through early May. These clinics are a great way for juniors to build fundamentals such as grip, stance, full swing, chipping, putting, and on-course etiquette. Whether your child is brand new to the game or already has experience, our goal is to help them develop skills and confidence while having fun.

PGA Junior League registration is also now open. This is our main summer junior program and is open to juniors of all experience levels. PGA Junior League is a team-based format that makes golf exciting, social, and less intimidating for beginners. It also provides a great competitive opportunity for juniors who are looking to take the next step. This program is one of the best ways to get kids involved in golf, meet new friends at the club, and stay active throughout the summer.

We're also proud to host the AJGA WVU Medicine United Hospital Center Junior Championship again this July, July 12th–16th. This is the only AJGA event in West Virginia and will bring elite junior golfers from across the country. Members will have opportunities to support the event through spectating, volunteering, and sponsorship, with proceeds benefiting the AJGA Scholarship Fund and local charities.

Finally, if you're thinking about new equipment this season, be sure to take advantage of our free spring demo days and professional club fitting services. We carry and fit all major brands including Titleist, TaylorMade, Ping, Cobra, Mizuno, and more.

Thank you for your continued support. Let's make 2026 a great year at BCC!

Best Regards,

Michael Gervais, PGA
Head Golf Professional
