The Golf Association starts each season with a 9-hole scramble to get everyone warmed up for the season.

Our Professional Golf Staff is also planning his annual women's golf clinics in May. The clinics will be held on May 6th, 13th, 20th & 27th at 6:00 p.m. This is a great opportunity to work on improving your golf skills.

GROUNDS COMMITTEE

Dear members,

We are currently preparing the course for the upcoming season and are focused on our annual spring cleanup to ensure optimal playing conditions. Including debris cleanup, bunker edging and sand raking. Once conditions are favorable, we will start with mowing of short grass areas and rolling of greens as needed.

Specifically, we are addressing necessary maintenance for the tree on hole 14 that recently had a large section broken off in a windstorm. We will also be performing continuous cleanup on hole 4 of the tree that blew over towards the end of last season.

We look forward to welcoming you back to the course soon.

Best regards,

Andy Bates
