Corporate Golf Catalog

February 15th, 2026

Dear Members, Friends, and Business Partners,

Are you looking to showcase your company logo on premium apparel, golf balls, or other high-quality promotional items? Do you need professional, logo-branded products for staff to wear while working or traveling? Perhaps you host clients throughout the year and would like to provide a thoughtful branded gift, or you organize a corporate golf outing and are searching for the perfect tee gift. If so, this packet is designed to meet those needs.

Enclosed is the **2026 Bridgeport Country Club Corporate Catalog**, featuring a wide selection of customizable merchandise from trusted brands at a variety of price points. In addition to the items shown, please know that I am here as a resource for you and your business. If there is a specific product, brand, or company you are looking for, simply ask, there is a strong chance I have access to it and can source it for you. My goal is to make the process easy while offering competitive, affordable pricing.

Whether you are interested in having your name or logo placed on golf balls or applying your company logo to apparel and accessories, this program offers flexible options to fit your needs. Corporate pricing may begin with orders as small as 12 dozen golf balls or one dozen shirts. Larger orders are welcome, with additional discounts available on orders exceeding 120 units.

Just as importantly, you are working directly with a local person you know and can trust. I am committed to providing personal service, clear communication, and reliable follow-through on every order.

Please note that all pricing listed is current as of February 1, 2026, and is subject to change throughout the season based on product availability or manufacturer pricing.

Corporate catalogs are available year-round, and I am always happy to assist with questions, pricing, or custom orders. Please do not hesitate to contact me directly with any requests.

Sincerely,

Michael Gervais, PGA
