- **INCLUDED IN TUITION**

Items covered in tuition are book costs, FACTS Management, morning care, yearbook (one per student), and transcript requests. Please note: Final transcripts (3 maximum) are sent by request at no cost for current seniors. Preliminary transcripts, extensive online forms, and alumni records requests (after graduation year) may incur a handling fee of \$25, depending on the process required.

Additional fees may be incurred for sports, electives, fine arts, graduation, and withdrawals. For a complete list of fees and due dates, please contact the school office.

- **NEW FAMILY REFERRAL**

Any returning family who has part in a new family enrolling their child in our school will receive \$500 off their tuition. The new family will receive \$500 off at that time as well. Credits are applied over the course of the school year at \$50 per month for existing families and \$50 per month for new families (August-May). If a new student withdraws prior to the end of the school year, both families lose the credit for the remainder of the year. If the referring family leaves prior to the end of the school year, the new family will still receive credits for the remainder of the school year. Any family that becomes delinquent in paying the balance of the account will forfeit that month's discount until the balance has been paid in full.

For families who pay in full, the referral credit will be applied upon payment. If the paid-in-full student withdraws prior to the end of the school year, the \$500 will be pro-rated based on the number of complete months the student was enrolled at the school.

- **BEFORE/AFTER-SCHOOL STUDENT SUPERVISION**

Before-school care is provided at no charge to parents. For students enrolled in the full after-school plan, there will be a yearly fee of \$1,800 per child for Grades K4-12. For students enrolled in the three-day/weekly after-school plan, there will be a yearly fee of \$1,400 per child for Grades K4-12.

This amount is billed to the account according to the payment plan specified for tuition. This fee includes a snack. Late fees of \$1 per minute per student will apply after 5:30 p.m. Parents must sign their children up for this program in the school office, and the student will remain enrolled in the program until written notice is given to the office stating the last day the child will be enrolled.

For students who are **not enrolled** in after-care and stay past 3:30 p.m., a daily drop-in charge will apply; however, this amount will only be charged on the days that the student is present in after care. Kindergarten and elementary students not picked up by 3:30 p.m. will be charged \$3 for every 15-minute increment to follow, not exceeding \$18. After-care fees also apply to children who remain on the premises past pick-up time but are tardy in reporting to the after-care rooms.
