

Thanks for choosing Medina Creative Pet Play, Let's get started!

Dear Pet Owner,

Medina Creative Pet Play (MCPP) is committed to providing a safe, fun and stimulating social environment for your Pet during weekday business hours and overnight boarding. At Pet Play, your Pet will not be crated for long hours, but will enjoy supervised playtime with other pets and our friendly staff.

*Please note, we are a pet play with a mission. We are a vocational training program for individuals with disabilities. As such, your pets will receive many hugs and much love all day free of charge!

Attached you will find information and forms you need to register your Pet for our services. Proof of vaccinations is also required. If you do not have a copy of your Pet's current vaccinations, contact your veterinarian and ask them to send a copy to you.

These records **MUST** be presented prior to or at the time we meet your Pet.

To enroll, simply fill out the forms, include a proof of vaccinations, and return to:

Medina Creative Pet Play
4105 Creative Living Way
Medina, OH 44256

At Medina Creative Pet Play, people and pets always have a fun time!

Thank you,

Madison Ardo
Medina Creative Pet Play Manager

Vaccination Policy:

One of the issues we take very seriously is our vaccination policy. NO amount of precaution and care can guarantee the prevention of communicable diseases, but in order to minimize the risk of your pet being exposed to anything contagious, any pet that visits MCPP, whether for an hour or a month must be current on the following vaccinations:

RABIES – Written vet documentation must include expiration date as well as date administered.

BORDETELLA – This vaccination against Canine Cough might not normally be given unless your vet knows that your pet will be in daycare, so please be sure that you request this vaccination. It must be administered at least ONE WEEK PRIOR to your pet's visit.

DHLPP – The combination shot is generally good for one year although some manufacturers are producing 3-year vaccinations. If your DHLPP is for 3 years, the documentation from your vet must indicate that fact. (*Please note: Leptospirosis is not always included in the DHPP combination vaccine, so please confirm with your veterinarian that your pup is fully covered.*)

FECAL TEST – A negative stool sample check is acceptable if it occurred in the six months prior to attending day care. Documentation from your vet must indicate the results of the test. If the test was positive for parasites – your pet must be treated, and another fecal test performed (with a negative results) at the completion of treatment.

FLEA AND TICK PREVENTION – Since your pet will be playing outdoors, we STRONGLY recommend that your pet be on flea and tick prevention.

Boarding Policy:

Boarding Drop off & Pick up

Monday, Tuesday, Wednesday, Thursday, Friday... 7am – 6pm
Saturday & Sunday ... 9am **OR** 6pm

What should I bring from home?

1. You may bring your pet's own bedding or favorite toy! Our pets always feel better if they have the "smells from home" with them. We also have many dog beds and blankets on hand. The items must be washable and not pose an obvious choking hazard.
2. We have food dishes and sanitize them daily.
3. FOOD – Please label with pet's names and specific instructions. Tell us if you have included medications or supplements in the prepackaged food. If no food is provided our kennel diet is used.
4. Medication and supplements – This important information must be updated with each visit. We want to make absolute certain we have the most current information on any medications or supplements you are giving your dog. Medina Creative Pet Play is not able to provide any injection to your animal. We are not licensed veterinarians.

Pet Owner has reviewed above Vaccination Policy and Boarding Policy; Drop Off & Pick Up and agree to these terms

Pet Play Contract

- 1.) By signing this Agreement and leaving your pet with Medina Creative Pet Play (MCPP), Owner certifies to the accuracy of all information provided to MCPP in writing or orally about the Pet.
- 2.) At MCPP, we strive to provide your dog with excellent care and a fun experience during their stay. Although animals are supervised at all times, injuries can still occur while dogs are playing together such as scratches, cuts or sprained joints. Such injuries are rare, but they happen at all doggie daycares. All animals are unpredictable. In addition, while infrequent, dogs can get into fights, even under close supervision. Common areas for bites as a result of these fights are the snout, ears, tuft of the neck and paws. However, even the friendliest of dogs can get into fights with very little or no warning. In addition to injuries, it is possible for dogs to transfer illness such as upper respiratory infections and kennel cough, even with the required vaccinations and boosters. This is just like a daycare for children where illness such as pink eye and the flu can be transferred from one child to another. Such illness does not occur often and all dogs must have the necessary vaccinations to check in.
- 3.) Owner understands that MCPP reserves the right to refuse admittance to any pet that lacks proof of vaccinations and fecal exam results, displays signs untreated or potentially contagious conditions, demonstrates aggressive behavior.
- 4.) Owner acknowledges and is aware that vaccines do not protect against communicable illnesses that may affect a pet. Owner Acknowledges and agrees that they are assuming all risks or illness, disease, harm or otherwise to their pet by allowing their pet to play at MCPP.
- 5.) Owner agrees to be solely responsible for any and all acts or behavior of the pet while in the care of MCPP, to include payment of costs for injury to staff, other animals and/or their owners, damage to facilities caused by your pet.
- 6.) In the event of a medical emergency, MCPP will attempt to contact the owner, and the pet's personal veterinarian as well as the emergency contact provided by owner, however, such an emergency might not provide the time to do so prior to the administration of care. Owner authorizes MCPP at the sole discretion of MCPP management, to obtain whatever medical treatment is deemed necessary for pet from any qualified veterinarians and to transport pet to and from the veterinarian when MCPP deems such medical care is important to the pet's health. Owner grants MCPP or its employee or agent full power of decision making involving the medical treatment of the pet, and agrees to pay all costs. This applies to any claims or injuries or damages related to such medical care transport.
