

National Law Enforcement Suicide Survivors' Conference & Blue Family Memorial Events

Indianapolis 2022

Please join us for the 2nd Annual National Law Enforcement Suicide Survivors' Conference & Blue Family Memorial Events hosted by Survivors of Blue Suicide Foundation on July 23 & 24 in Indianapolis, IN. This National event will provide workshops for survivors, giving them hope for tomorrow, and introduce them to others who truly understand the journey that lies ahead. The Blue Family Events include a Memorial Service and Blue Light Vigil where the nation will honor our fallen heroes who died by suicide. The Wall of Names will be unveiled at the start of the conference so family, friends, co-workers and supporters will have the opportunity to see their officer's name engraved on what will eventually be part of a permanent memorial wall.

SBS will honor the officer of any family member attending for the first time, regardless of End of Watch date. For your officer to be honored, you must register to attend the events by the deadline date.
