

Dear Trinity Family,

The Eagles Athletics Booster Club (EAB) was formed during the 2021-2022 school year and seeks to provide financial and physical support to the athletics programs at TCS and promote a tradition of athletic excellence and Christian sportsmanship. The goal of the Club is to supplement the athletic budget in funding needs such as transportation, equipment, facility upgrades, league fees, etc.

Over the past four school years, the EAB has been able to financially support Trinity Athletics through the purchasing of uniforms, bleachers and a new scoreboard for the soccer field, start-up equipment for the new baseball team, cross country course improvements, assisting with the purchase of two minibuses for team travel and rental fees for game and practice facilities, among other things. These additional funds have been instrumental in propelling athletics forward. Your participation in EAB allows us to raise the necessary funds to support this vision and growth. The EAB is led by an elected board and expenditures are vetted and approved based on needs and funds available.

In the 2024-2025 athletic year, Trinity saw its programs have another successful year with back-to-back Final Four appearances in boys basketball and girls soccer. Additionally, the Eagles brought home the state championship in JV boys cross country for back-to-back seasons along with having the individual boys state champion at the Varsity and JV levels. Volleyball posted a 15-win season for the first time in program history and made the Elite Eight. Boys' soccer made the state playoffs, and JV boys' basketball finished as runner-up in the state tournament. Heading into 2025-2026, football has been announced along with plans to build a gymnasium and a new athletic field. Our school has seen substantial growth over the last couple of years, and we are building on our current momentum.

In any given school year, approximately 75% of Trinity students in 6th - 12th grade will participate in a sport. We would love to see at least 75% of our families as members of the Eagles Athletics Booster Club and would even love for you to share this with grandparents! We hope your family will consider becoming a member for the 2025-2026 school year. Attached are family membership packages. All memberships/sponsorships are tax-deductible. Please submit the attached form with payment (instructions are on the membership form) by July 31st.

For more information, email ngardner@tcsopelika.org or call (334) 703-9085.

Go Eagles!
