OUR MISSION

Trinity Christian School assists parents in their God given responsibility of educating their children in the nurture and admonition of the Lord. Under the delegation of the family, we seek to teach and discipline students in a secure Christian environment of classical academic excellence. Through rigorous academics, competitive athletics, and enriching fine arts, we prepare and challenge students to use the skills and knowledge they master to live for Christ in all spheres of life. Our end goal is to graduate young men and women who think clearly, listen carefully, discern wisely, reason persuasively, and articulate precisely – all with an eagerness to glorify God and enjoy Him forever.
