Crash Course On Evangelism w/ Bobby Conway

Sharing your faith with others can be a daunting endeavor. Having a plan can help you share Christ without stressing about saying the right thing or losing the relationship. In this course, Dr. Bobby Conway will guide you through what the Bible says about reaching non-believers, equip you with the starting blocks of sharing your faith, and offer you a strategy for getting started. By the end you will have a new found excitement for the Great Commission and be encouraged to notice various opportunities to reach others with the Gospel.

War Room Prayer Study Group – GROW04

Facilitated by Sister Neta Love (Monday Evenings @ 6 PM)

Focus: Prayer Study for ALL

Description: Juggling motherhood and her job as a real-estate agent, Elizabeth Jordan wishes her husband could help more around the house. But Tony's rising career as a pharmaceutical salesman demands more and more of his time. With a nice home in the suburbs and a lovely young daughter, they appear to have it all—yet they can't seem to spend time together without fighting.

Hoping for a new listing, Elizabeth visits the home of Clara Williams, an elderly widow, and is both amused and uncomfortable when Clara starts asking pointed questions about her marriage and faith. But it's Clara's secret prayer room, with its walls covered in requests and answers, that has Elizabeth most intrigued . . . even if she's not ready to take Clara's suggestion that she create a prayer room of her own. As tensions at home escalate, though, Elizabeth begins to realize that her family is worth fighting for, and she can't win this battle on her own. Stepping out in blind faith, putting her prayers for her family and their future in God's hands, might be her only chance at regaining the life she was meant for.

The Life of Joseph w/ Bryan Carter– WOM02
Facilitated by Dr. Maggie Glover (Tuesday Evenings @ 6:30 PM)
Focus: Study Group for Women

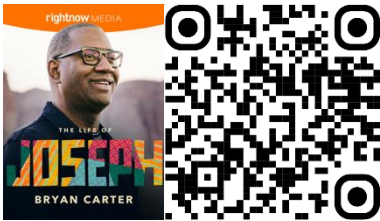

Description:

How to Live Purposefully in Uncertain Times

Joseph is one of the most inspiring figures in the Old Testament. Everything he endured was for a purpose, his success came from the Lord, and even the most devastating events in his past were used to accomplish God’s purposes. The exciting news is that God works in our lives the same way he worked in Joseph’s. In this six-session series, Pastor Bryan Carter will trace the themes of purpose and faithfulness through the life of Joseph, teaching us how to identify and live in our God-given purpose. God will do far more than we could hope or imagine. Today, he is calling us to be people of purpose.

More Than a Vision B.O.A.R.D.—WOM01
Facilitated by Elder Dagne (Tuesday Evenings @ 7 PM)
Focus: Christian Living for Women

Description: Eyes to See & Faith to Build...More Than a Vision B.O.A.R.D.™ *A Gurl That's U™ Guide to Execution* You've been to the vision board party. You ate the snacks, cut the magazines, declared the goals — and left with a beautiful board that's now collecting dust somewhere in your house.This book is not about arts and crafts.

In *Eyes to See...Faith to Build*, Coach Dagne Barton delivers a bold truth most vision board conversations never touch: you cannot build clearly if you cannot see clearly. Before you pick up one magazine or marker, you need to deal with what's distorting your spiritual sight—the doubt, fear, distractions, and "foreign matter" that have infected your vision and stalled your execution for far too long!

Drawing from Scripture, personal experience, and years of coaching women toward their God-given purpose, Dagne takes you on a journey from spiritual clarity to strategic action through her signature B.O.A.R.D.™ framework:

- Believe — even when the how isn't clear
- Organize — your life around what actually matters
- Accountability — stop building alone
- Reality — tell yourself the truth
- Destiny — build what God showed you and release what you can't control
-

This is for the woman who has great intentions but keeps stopping halfway. For the woman who is tired of dreaming without doing. For the woman who knows God showed her something — and she's ready to build it – for real this time.

By the time you finish this book, you won't just have a vision board. You'll have healed sight, a proven framework, and the faith to execute — even when it's hard, even when it's messy, and even when no one else can see it yet. *You saw it. You believed it. Now go build it.* Gurl... That's U.

The Book of Ruth – GROW06

Facilitated by Sister Karen McCants (Tuesday Evenings @ 7 PM)

Focus: Study Group for ALL

Description:

God can seem distant when dreams fade, people die, or careers fail. It may feel like He slammed the door in your face and walked out for good. No one knows the feeling of abandonment more than Ruth and Naomi. Their story begins with the worst—death, famine, and poverty. And God remains silent.

But the book of Ruth doesn't end with despair. The story brims with hope because God works on behalf of the two widows in ways they least expect. In this 7-part series, Bianca Juárez, speaker and author of *Play with Fire*, teaches through Ruth to show how God moves behind the scenes in our lives. On the surface, this book tells the story of two widows and a kind landowner. Even more, it teaches us about God's faithfulness, love, and providence.

Walk the journey of Ruth, Naomi, and Boaz and discover the devoted love of God and His transformative power in our lives.

The Witness Practice - WAY04

Facilitated by Brother James Arsenault (Thursday Evenings @ 6 PMM)

Focus: Discipleship

Description: There is an unspoken rule we all intuitively live by: good news is meant to be shared. Whether it's news of landing a new job, getting into the college we wanted, or discovering an incredible restaurant — we naturally want to share it with others. Yet, for many of us, this isn't always our experience with our own faith, and for good reason. Every day, we are bombarded with signals from our surrounding culture to “keep our beliefs to ourselves.” This can lead to a very private way of following Jesus that, in belief, is “good news for all people,” but in practice, just becomes “good news for me.” Yet, in the midst of this, Jesus’ invitation to witness to him has not expired. For the last two millennia, followers of Jesus have dared to ask the question: How do we witness to the good news of Jesus in this particular moment? Through this series, we want to explore this exact question for our time — to discover together the loving and patient way we can witness to the Gospel with our life and words Welcome to the Practice of Witness.

The Importance, History, & Heritage of Black Culture – HIS01

Facilitated by Dr. Barbara Washington & Minister Patrick Nelson (Thursday Evenings @ 6:30 PM)
Focus: Christian Living for All

Description: A call to action is warranted in our days to listen to the past and learn from those who have sacrificially gone before us to guide us forward even as there are those opposing forces who would choose to refuse to allow true liberty and masquerade in attempts to undo any progress already made. It has always been the mission of the Church to educate its people when evil reprehensively attempts to erase our identity and evade any responsibility. This course is designed to allow anyone, especially high schoolers on up, to survey our history and heritage to assuage the onslaught against us and hedge our gains even as we seek to bring about further restoration. Join Dr. Barbara Washington on this journey to explore (and for some revisit) our past to instill in us the resolve to make headway against the current rising tides of injustice. It is time for an intergenerational call to arms for the days ahead. Only together when we stand united can we tend to the needful in this present darkness.

Saturdays

Fervent: A Woman's Battle Plan to Serious, Specific, and Strategic Prayer– WOM03

Facilitated by Sister Breanna Fulton (Saturday Mornings @ 9 AM)

Focus: Christian Living

Description: You have an enemy . . . and he’s dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What’s more, his approach to disrupting your life and discrediting your faith isn’t general or generic, not a one-size-fits-all. It’s specific. Personalized. Targeted.

So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you’re on to him and that you won’t back down. Because with every new strategy you build, you’re turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God’s Spirit.

New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film War Room into the real lives of today’s women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy’s cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis.

Fervent is a hands-on, knees-down, don’t-give-up action guide to practical, purposeful praying.

Lies Women Believe: And the Truth that Sets Them Free (Part 1) – WOM05

Facilitated by Sister Roshanda Neal, LPC (Thursday Evenings @ 10 AM)

Focus: Christian Living for Women

Description: Satan is the master deceiver; his lies are endless. And we've all to some degree believed them. Many women live under a cloud of personal guilt and condemnation and are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners. Lies are at the root of most of our struggles.

In this bestseller, *Lies Women Believe*, Nancy exposes those areas of deception most believed by Christian women. Women discover the lies their believing about:

- God
- themselves
- sin
- priorities
- marriage
- children
- emotions
- and more

Nancy shares how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. *Lies Women Believe* offers the most effective weapon to counter and overcome Satan's deceptions: God's truth! Join the movement of women living in freedom.
