**Co-Ed Bible Study Group – GROW03**

Facilitated by Minister Ulanda Branch (Monday Evenings @ 6 PM)

Focus: Co-Ed Bible Study for ALL

Description: *Has it ever dawned on you that nothing has ever dawned on God?* He knew before the world began that His people would face hardship, so He gave us His Word. The Book of Ephesians is a survival manual—it equips believers to thrive in a world that hates the message of Jesus Christ. Paul the Apostle writes to encourage believers to live well—we've been lifted from the graveyard of sin and called to shout the gospel into the darkened world.

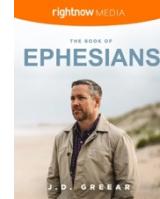

Pastor and author J.D. Greear walks through the powerful words of Paul. In 9 sessions, J.D. digs into the text of Ephesians verse-by-verse and challenges believers to live out the gospel. If the people of your city, of your school, of your family are going to hear the gospel, it's going to be from your mouth. Encounter Ephesians and get swept up into the story of Jesus.

Co-Ed Parent Solutions – PAR01

Facilitated by Brother Keenan & Sister Lynelle Allen (Monday Evenings @ 6 PM)

Focus: Parenting

Description: 10 WAYS TO BE AN EXCEPTIONAL PARENT IN A QUICK-FIX WORLD

No matter how good their intentions, all parents at times resort to quick-fix parenting: things we do to stop a kid's negative or annoying behavior.

Quick-fix parenting may temporarily ease a parent's stress level, but it does little to positively impact a child's future. Quick-fix parenting is a terrible long-term strategy for parenting.

Intentional parenting is the opposite of quick-fix parenting. Intentional parenting is a way to raise children to become healthy, independent young adults. It's based on solid principles which, applied over time, actually result in less-stressed parents and happier, better-adjusted, and more successful kids. Intentional parenting means you've got more than good intentions; you've got a plan. (And it's always better to have a plan for dealing with the stuff that inevitably crops up between parents and their kids than it is to wing it.)

In *Intentional Parenting: 10 Ways to be an Exceptional Parent in a Quick-Fix World*, Doug and Cathy Fields draw on their own extended experience with young people and as parents to guide you through **10 specific actions that will help you become a more effective parent.**

See: Discovering the Freedom to Be Authentically You– WOM02

Facilitated by Dr. Maggie Glover (Tuesday Evenings @ 6:30 PM)

Focus: Christian Living for Women

Description: Each of us enter this world with a divine desire to be seen as our true self, yet somewhere along the way, most of us end up struggling to live out our God-given identity, and masks become our protection. As a result, we often end up with shallow or difficult relationships where we can't be real with anyone, even with God. Is this the way we are supposed to live? How would our stories change if through our relationship with Jesus, we could shed these cover-ups, discover the beauty of vulnerability, and begin to live a life of great abundance? Through inspiring video sessions, engaging group questions, and opportunities for personal reflection, take a guided journey to being truly seen by Jesus, empowering you to break free from the façade and step into the fullness of who He created YOU to be.

The Bait of Satan—CLERGY01

Facilitated by Elder Sherry McDonald (Tuesday Evenings @ 6:30 PM)

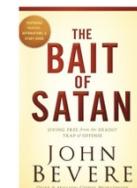

Focus: Leadership Development for New Life's Clergy

Description: Escape the enemy's deadly trap! The Bait of Satan exposes one of the most deceptive snares Satan uses to get believers out of the will of God-offense. Most people who are ensnared by the bait of Satan don't even realize it. Don't be fooled! You will encounter offense, and it's up to you how it will affect your relationship with God. Your response will determine your future. If offense is handled correctly, you will become stronger rather than bitter. In this new twentieth anniversary edition, John Bevere shows you how to identify the traps ahead of you and escape the victim mentality. With declaration-style prayers and testimonials from people whose lives have been changed by his message, this book will inspire you to stay free from offense and its destructive power.

Focus: Prayer & Intercession

Spiritual Warfare by First Lady Glenda Dudley

Many of you asked for more. Back by popular demand, the study continues...

What if you knew someone was waiting to attack you and your family at any moment? Wouldn't you do everything possible to protect yourself?

Unfortunately, many of us do little to strengthen ourselves when it comes to the area of spiritual warfare. As a result, the forces of hell have a heyday messing with our lives. We wonder why our lives are in such turmoil instead of realizing how unprepared we are.
