

SERIES CHALLENGER

Overbuilt, Not Overpriced

GR45 | GR30 | GR20 | GR15

Champion is known for building premium gun safes, and the Challenger Series delivers that heritage in an accessible, everyday security solution. Its steel construction and reinforced door provide reliable resistance to theft.

Available with a standard firearm interior or an all-shelf layout, the Challenger adapts easily to gun storage, personal valuables, or business records. With a straightforward design that fits comfortably in garages, homes, or commercial spaces, the Challenger delivers Champion quality in a practical, value-driven safe.
