

SERIES ESTATE

Overbuilt, Not Overpriced

EC17 | EC14 | EC10

The Champion Estate Series delivers vault-level protection for homes and businesses looking to secure jewelry, documents, and valuables. Its steel construction and **2-hour, 1200°F fire rating** provide dependable defense against fire and theft, while a thoughtfully designed interior keeps valuables organized and supports secure, everyday access.

With a clean, refined exterior, the Estate fits naturally into offices, bedrooms, or living spaces without looking out of place. The result is a versatile safe that balances strength, organization, and appearance — delivering confidence and long-term protection wherever it's installed.
