

Champion[™]
Safe Co.

SERIES UNTOUCHABLE

Overbuilt, Not Overpriced

UT65 | UT55 | UT45

Every safe in this series is handcrafted one at a time by our most skilled craftsmen, using only the finest American-made materials. This is our strongest, most secure safe—built without compromise.

Not only has it earned the UL Residential Security Container (RSC) certification, it also exceeds the industry's rigorous B-rating standards, setting a new benchmark for strength and reliability.

The Untouchable Series represents the pinnacle of craftsmanship and security—because true peace of mind starts with unmatched protection.
