

NOTICE OF ACTIONS

American Psychological Association - Commission on Accreditation
Fall 2023

In accordance with Section 5, *Confidentiality and Public Disclosure of Information*, as outlined in the [Accreditation Operating Procedures of the Commission on Accreditation \(AOP\)](#), as well as the Secretary's Recognition Criterion 602.26, *Notification of accrediting decisions*, and the Council for Higher Education Accreditation Recognition Standard 2.A., *Accountability and Transparency*, the following summarizes the actions taken by the American Psychological Association's Commission on Accreditation at its October 25-28, 2023 Fall program review meeting. This list does not include actions on programs that submitted other correspondence or interim reports for review at the meeting.

A database of all currently accredited programs is available on the Office of Program Consultation and Accreditation website at the following link: www.accreditation.apa.org/accredited-programs. For additional information regarding periodic review, including accreditation statuses and decision options, please see Section 8 of the [Accreditation Operating Procedures of the Commission on Accreditation \(AOP\)](#).

¹ Inactive status is awarded to programs for the 2023-2024 training year that have submitted a phase out/closure plan or have not admitted students for the past two years. Programs granted this status are reviewed by the CoA on an annual basis. Dates listed are for the program's next site visit and are omitted if the program has a scheduled closure date preceding the next scheduled visit.

² Internship programs granted Accredited on Contingency status are due to apply for full accreditation within a two-year time frame if the program is full-time (four years if a half-time program). See IR C-26 I.

³ Inactive status is awarded to programs that will not be accepting trainees for the 2023-2024 training year. This status is granted by the CoA for one year at a time. The program will need to request for renewal of inactive status prior to the beginning of the next training year.

⁴ Whenever it is deemed appropriate, the CoA may defer making a decision about a program in order to obtain more information due to a lack of information or specific concerns about the information provided. The CoA will notify the program in writing and specify what additional information is needed and/or what concerns need to be addressed in order to determine the program’s consistency with the SoA.
