

NOTICE OF ACTIONS

American Psychological Association - Commission on Accreditation
Summer 2026

In accordance with Section 5, *Confidentiality and Public Disclosure of Information*, as outlined in the [Accreditation Operating Procedures of the Commission on Accreditation](#) (AOP), as well as the Secretary's Recognition Criterion 602.26, *Notification of accrediting decisions*, and the Council for Higher Education Accreditation Recognition Standard 2.A., *Accountability and Transparency*, the following summarizes the actions taken by the American Psychological Association's Commission on Accreditation at its July 15-18, 2026 summer program review meeting. This list does not include actions on programs that submitted other correspondence or interim reports for review at the meeting.

A database of all currently accredited programs is available on the Office of Program Consultation and Accreditation [website](#). For additional information regarding periodic review, including accreditation statuses and decision options, please see Section 8 of the AOP.

¹ Doctoral programs granted Accredited on Contingency status are due to apply for full accreditation within a three-year time frame. See Implementing Regulation (IR) C-29 D.

² Inactive status is awarded to programs that will not be accepting trainees for the 2026-2027 training year. This status is granted by the CoA for one year at a time. The program will need to request for renewal of inactive status prior to the beginning of the next training year.

³ Whenever it is deemed appropriate, the CoA may defer making a decision about a program in order to obtain more information due to a lack of information or specific concerns about the information provided. The deferral is effective on the last day of the program review meeting. The CoA will notify the program in writing and specify what additional information is needed and/or what concerns need to be addressed in order to determine the program's consistency with the SoA.

⁴ Whenever it is deemed appropriate, the CoA may defer making a decision about a program in order to obtain more information due to noncompliance with one or more standards. The deferral is effective on the last day of the program review meeting. The CoA will notify the program in writing and specify what additional information is needed and/or what concerns need to be addressed in order to determine the program's consistency with the SoA.

⁵ Internship programs granted Accredited on Contingency status are due to apply for full accreditation within a two-year time frame if the program is full-time (four years if a half-time program). See IR C-26 I.

⁶ Inactive status is awarded to programs that will not be accepting trainees for the 2027-2028 training year. This status is granted by the CoA for one year at a time. The program will need to request for renewal of inactive status prior to the beginning of the next training year.
