

**Notice of Final Accreditation Decisions**  
American Psychological Association - Commission on Accreditation  
**Summer 2025**

The American Psychological Association's Commission on Accreditation reviewed the accredited internship program, the Illinois School Psychology Internship Consortium. The program had not submitted required information, so in accord with the [Accreditation Operating Procedures of the Commission on Accreditation](#) (AOP) Section 1.3, the APA-CoA determined that the program had elected to voluntarily withdraw from accreditation, an appealable decision. An appeal of the CoA decision was filed by the program and processed by the American Psychological Association's Board of Educational Affairs Accreditation Appeal Panel, in accord with Section 2 of the AOP.

This notice of an official action by the CoA will be posted on the APA accreditation [website](#). For additional information regarding periodic review, including accreditation statuses and decision options, please see Section 8 of the [Accreditation Operating Procedures of the Commission on Accreditation](#).
