The Drift Story

Cocktails. Sunsets. Good company.

Drift is where Zanzibar slows down. Set beside the sea at Joud, our bar is shaped by warm sunsets, island rhythm and the easy pleasure of gathering around a beautifully made drink.

The island is not merely our backdrop; it is the beginning of our cocktail collection. Wherever possible, we work with locally sourced watermelon, pineapple, mango, passion fruit, citrus and hibiscus, alongside Zanzibari black tea and warming spices. Our team presses, infuses, ferments and blends in-house to preserve the freshness, colour and character of each ingredient.

The result is a menu that feels unmistakably of this place: bright spritzes, tropical refreshers, spirited classics, a considered collection of wines and a spirit selection designed for both discovery and celebration. Every serve is thoughtful, generous and unpretentious - relaxed luxury, poured with genuine island hospitality.

Fresh from the island. Crafted by the sea.
