WEST Coast Aquatics Corporate Sponsorship

Dear Prospective Sponsor:

Thank you for taking the time to consider sponsoring WEST Coast Aquatics. Your sponsorship helps us offset the cost of operating our facility and supports our goal of swimming for life!

About Us:

WEST Coast Aquatics is a 501-3c Non-Profit Organization aimed at providing world class swimming instruction located in Mill Creek, WA. We own and operate our facility with no outside financial assistance and started as the Mill Creek Swim Team in 1980, became WEST Coast Aquatics in 1999. Our programs include a year-round club team, seasonal recreation teams, swim lessons, senior water aerobics and many additional programs. We support High School Swimming by renting pool space to three local teams, keeping rates low and hosting meets throughout the season.

WEST is a competitive member of Pacific Northwest Swimming (PNS) and USA Swimming, regularly finishing in the Top-10 of PNS and represented nationally at USA Swimming Junior National, National and Olympic Trial levels. WEST's Club Swim Team supports swimmers ages 6 to 22, while our Swim School teaches swimmers ages 2 to 12 and establishes the proper foundation for long-term success. WEST is a 9-time recipient of USA Swimming's Club Excellence Bronze Medal; named a top-200 program nationally along with being US Olympic and Paralympic Committee Safe Sport recognized.

Mission Statement: Instilling life lessons and protecting children through the pursuit of excellence and perseverance in the sport of swimming.

Vision Statement: Providing a nurturing, yet demanding environment for athletes to develop into strong and successful adults.

Audience Reach:

WEST has 100 members in our annual competitive swim team, 140 members in our quarterly recreational swim team, 400 children monthly in our Swim School and 300 general Facility Use members. WEST has a combined audience of roughly 2000 followers on social media including Facebook and Instagram. Our Google profile and website generate roughly 5000+ visits per month.
