What is the best part about dancing at BDC?

The best part of dancing at BDC is that it's not only a sport but it's a family. Dancing at BDC has given me life long friendships that I will take with me forever. I am so grateful I was able to finish my grade 12 year with the best training and best peers alongside me.

What do you like least about dancing at BDC?

When Dayne makes us do space jam twice.

What is your favorite memory from your time at BDC?

I have endless amounts of memories from the past year at BDC. Some of my favourite memories have been the dance competition in Red Deer when we all stayed up and visited in me and Katelyn's hotel room, or the acro class taught by Annie. Another one was when I messed up the pancake choreo, a little embarrassing but also really funny. Another one of my favourite memories is when me and Bianca spent an hour trying to figure out how to set up the Christmas tree lights... just to get half of the tree to light up. I will always remember the times when us girls laughed until we couldn't breathe or the time Katelyn forced us to stay up and play real life among us. Anyways I will forever be grateful for my time spent at Bianca's

Fun Fact:

I'm kinda funny

What will you miss the most?

I am going to miss competition weekends with the best team and late nights at the studio. I will also miss the ballet classes with Dayne and Mrs. Jaedyn when we talk and laugh about the most random things. I am especially going to miss each and everyone of my teammates. Thank you everyone for making my last year so special, I'm so grateful for the friendships I have with each and every one of you guys!

What are your plans for the future?

My plans for the future are to go to Queens University and dance on their competitive dance team while completing my bachelor nursing degree.

Graduates 2026

Calie Fortais

Our last completion was my favourite memory as we did so much team building and everyone was together!

What is the best part about dancing at BDC?

The best part about dancing at BDC is the sense of family within the team and how everyone is so supportive of one another and always being encouraging!

What do you like least about dancing at BDC?

Dayne telling me to stop talking and pay attention (it doesn't work, I can't help I love talking)

What will you miss the most?

All my friends and the teachers but especially trying not to laugh or smile when on stage.

What are your plans for the future?

Next year I'm attending Grant Macewan and living on campus taking Police and Investigative Studies. During the summer I will be working at a restaurant in Sylvan and serving.

Fun Fact: I have been to 19 countries! And have taken over 200 flights.

Graduates 2026

Kloe Bergwall

What will you miss the most?

What I will miss most about dancing at Bianca's is the people. Over the years, I have made so many amazing friendships and connections that have become such a big part of my life. I'll miss seeing my friends every day, laughing together at competitions and getting told to stop talking in stretch class, these are some memories that I'll never forget. I'll also miss the dance teachers who have supported, encouraged, and believed in me throughout my dance journey. I'm forever grateful for my dance family.

What is the best part about dancing at BDC?

My favourite part about dancing at BDC isn't just learning new dances, it's the people and the memories I've made. Bianca's has become like a second home to me, and I've met some of my best friends there. I love being able to express myself through dance, challenge myself, and celebrate accomplishments with my teammates.

What do you like least about dancing at BDC?

absolutely nothing, it's perfect. I love it and it's amazing.

What is your favorite memory from your time at BDC?
