

IMPORTANT TIPS & INFORMATION

RULES

We encourage you to read the GHSRA/GJHSRA Contestant & Parent Handbook. A copy is in your folder for the season and it's also available on the GHSRA website.

ENTRY

To participate in qualifying GJHSRA rodeo, the contestant must enter online prior to the rodeo while the entry link is up. Amy Erwin, Jr. High Rodeo Secretary, handles the entries for Jr. High. If you need help, call/text her at 770-356-4525.

DATES, TIMES & PROCEDURES

for each rodeo will be posted on the GHSRA/GJHSRA website. Jr. High will be on the Cognito online entry system. The link for this will be posted on the main high school site under the tab for Schedule & Rodeo Entry. Be sure to select the correct link; there is one for using Paypal and one for paying by check/cash at the rodeo.

ELIGIBILITY

Each contestant must meet the requirements of their local school (or homeschool) that would allow them to compete in athletic events at their school. Every contestant must turn in the school eligibility form signed by an authorized school official & grades at the beginning of the season, mid-year and prior to State Finals. These are turned into the State Secretary, Kriston Wilson.

If a contestant is NOT meeting the State's grade requirements, they will NOT be allowed to rodeo until they furnish OFFICIAL proof they are back in good standing.

LIABILITY WAIVER

A signed liability waiver is REQUIRED at every rodeo and dated for the rodeo weekend that you are competing. This will be uploaded to your NHSRA portal prior to the rodeo weekend. Kriston Wilson is your State Secretary and will be the one checking for all required docs. See Check-List in folder and on our website for what's required. If you have questions call @865-388-8768.
