Boys & Girls Club of Pasadena Welcomes New Director of Development, Anne Lee

**Pasadena, CA, February 21, 2020** – The Boys & Girls Club of Pasadena is pleased to announce the hiring of Anne Lee as its new Director of Development. Anne’s expertise in all aspects of fundraising, as well as her experience working with youth-serving organizations, make her the perfect candidate to assist the 83-year-old iconic organization in raising funds and awareness to reach more Pasadena-area children and youth.

“Anne brings such a high level of expertise and energy to our team. With Anne driving our fundraising strategy and efforts, I am excited about what we will achieve together in the years ahead,” said CEO Lisa Cavelier.

With a career spanning two decades, Anne has led a number of fundraising and educational initiatives. Anne began her career as an education and public agency attorney, and she transitioned into nonprofit fundraising to make a more direct impact with organizations serving children and families. Among her previous positions, Anne was a VP of Development at After-School All-Stars, a national after-school program provider, and she led that organization’s national institutional fundraising. Most recently, Anne led the team that launched and operates Alma Fuerte Public School, a public school in Altadena. Anne has a bachelor’s degree in Government from the University of Notre Dame and a J.D. from the University of San Diego. Anne lives in Pasadena with her husband, Dr. Phillip Lee, and their two teenage daughters.

Anne will focus on developing strong partnerships that support the programming at the Club and grow the Club’s impact and reach in the community, while working side by side with CEO, Lisa Cavelier, and the Board of Directors.

Anne joined the Boys and Girls Club of Pasadena in February and is excited to develop partnerships for “an organization that has a long history of providing youth in our community with opportunities to be productive, caring, healthy, and responsible. The Club is truly a place where ‘Great Futures’ start.”
About the Boys & Girls Club of Pasadena
Since 1937, the mission of the Boys & Girls Club of Pasadena has been to enable all children and youth in the community, especially those who need it most, to reach their full potential as productive, caring, healthy, and responsible citizens. The Club promotes the health, education, social, vocational, and character development of boys and girls, ages 6 to 18, and helps improve the lives of these children by helping them build self-assurance and develop leadership skills while reinforcing positive values.

The Boys & Girls Club operates two sites in Pasadena: Slavik Branch at 3230 East Del Mar Blvd.; and Mackenzie-Scott Branch at 2020 North Fair Oaks Avenue. The Club serves (through membership and outreach) over 2,000 community youth year-round from Pasadena and the nearby communities of South Pasadena, Alhambra, San Marino, Arcadia, Sierra Madre, La Canada, La Crescenta, Montrose, and Glendale.
