YOUR CHILD'S WEEK

Day	Program	What members do
MONDAY	Passport to Life + Special Program	Life skills — friendship, safety, healthy choices, goal setting. Plus a Special Program chosen by your child's own staff member. Monday is our longer day.
TUESDAY	Education Youth for Unity	Communication, respect, empathy, teamwork and conflict resolution — skills members use at school, at home and at the Club.
WEDNESDAY	STEM LEGO Tech · DIY STEM	Build, test and improve. Hands-on engineering, design and problem solving. LEGO Tech for our youngest members, DIY STEM for older grades.
THURSDAY	Art Youth Arts: Fall Studio	Line, color, texture, printmaking and sculpture. Members build a portfolio of their own work across the quarter.
FRIDAY	Club Fridays	Members choose their own club for the quarter — cooking, chess, dance, photography, sports, media and more.

EVERY DAY, FOR EVERY AGE GROUP

CLUB IN MOTION	Gym, Dance, Games Room and House Challenge on a weekly rotation — every member gets all four each week. This is where movement, teamwork and our Club-wide House competition live.
POWER HOUR	Homework help and academic support, offered every single day. Power Hour now runs at the end of the day so members get the full program first.
SUPPER	A hot supper is served every day between the program block and Club in Motion.

A TYPICAL DAY AT SLAVIK — Tuesday, Wednesday & Thursday

2:15 – 3:30	EARLY ARRIVAL — Willard members only. Members walk over after dismissal, have open gym or games room, then an early Power Hour before the rest of the Club arrives.
3:30 – 3:50	Arrival and check-in. Members settle in with their group and staff member.
3:50 – 4:35	PROGRAM — BGCP lesson (see Your Child's Week above).
4:35 – 4:50	Supper
4:50 – 5:20	Club in Motion
5:20 – 6:00	Power Hour — homework help and academic support

MONDAY is a longer day — early school dismissal. Members have Passport to Life, a Club-wide Meeting, Club in Motion, Power Hour and the Special Program before pick-up at 6:00.

NEW THIS YEAR

One staff member, all year. Your child is assigned to one Youth Development Professional who stays with their age group all school year, leading every lesson. Programming first, Power Hour last. Members get the full program before the day ends — and homework help is still offered every day.
