

WMS in STUDIO Costume Rehearsal

(Costumes ONLY, no hair and/or makeup required)

Our “Costume Rehearsal” will help ensure all costumes work properly for our dances, with time for any needed changes. In addition, it will help with spacing as all dances will rehearse in Studio A with the correct stage sizing marked out. Please note that this schedule is not the order of the show or our dress rehearsal at James Clemens.

Each dance will have an estimated 10-minute section. Dancers should be present at the designated start time for each dance and are free to leave after they have finished their last dance in that time slot. We ask parents of younger dancers to please stay until their dancer is finished.

Below you will find the schedule for Friday, May 15th, and Saturday, May 16th
