

Sarah Ross

Sarah grew up in Madison after moving from Florence, Alabama, at the age of 10. A graduate of Bob Jones High School, she went on to attend the University of Alabama, where she earned a degree in Human Development and Family Studies and Early Childhood Education.

While at the University of Alabama, Sarah met her husband, Jesse, through mutual friends. Jesse's career with Norfolk Southern took their family throughout the eastern United States for nearly 10 years before they made the decision to return home to Madison in 2021 to be closer to family.

Sarah and Jesse are the proud parents of three wonderful children—Hudson, Addie, and Parker. Addie is a proud WMS Company dancer, while Parker enjoys being a dancer... sometimes!

Sarah is excited to join the office team at West Main Studios and become an even bigger part of the WMS family. She looks forward to helping our dancers and families in any way she can and is thrilled to be part of Season 31!
