5 Schedule, Locations & Communication

Everything lives in the **TeamSnap app**: class calendars, days, times, and locations.

- Locations are added to TeamSnap once confirmed, and you'll be notified.
- Locations may change based on school availability (always within the same feeder area). You'll always get a notification.
- **All emails** go to the address on your TeamSnap account.
- **Class videos** are shared in the TeamSnap chat.
- Instructors: message them through TeamSnap chat (we don't share instructor personal contact info).

- **Running late?** Message the instructor in TeamSnap so they can meet you at the door — building doors stay locked at all times.

ROSTER PRIVACY

By registering, you acknowledge the team roster is visible in TeamSnap. Parent/guardian names and contact info are visible to other registered families **for program communication only** — not for solicitation or any non-program use.

- **30-day written notice is required to withdraw**. Email sparkdance5678@gmail.com. Telling an instructor or unsubscribing does **not** count.

- **No refunds, no prorated fees**. Tuition is non-refundable and non-transferable.
- **Missed classes receive no credit**. If your dancer is ill or can't attend, contact admin to arrange a makeup class.

- Accounts must be **current** to receive uniforms, perform mid-season, or participate in the showcase.
- Failure to pay may result in removal from the program and collection actions.

IF AN ACCOUNT DEFAULTS

SPARK DTTP may hire counsel, employ a collection agency, file suit in law or equity, and immediately cease further performance under this contract, at SPARK DTTP's sole election. SPARK DTTP is entitled to all attorneys' fees and costs incurred in collecting the debt.

★ Why We Have These Policies

Our policies and guidelines keep things fair and consistent for every family. We require written notice for any change or request, because we can't assume anything about an individual family's situation. It's ultimately each family's responsibility to let us know about any desired changes.
