

Liability Release for all camps, classes, events, etc. As with other sports, there are risks involved with taking dance classes. The risks of injury and illness (ex: communicable diseases such as MRSA, influenza, and COVID-19) to my child from the activities involved in these programs are significant, including the potential for permanent disability and death, and while particular rules, equipment, and personal discipline may reduce these risks, the risks of serious injury and illness do exist.

Parents and students should be aware that injuries (including paralysis or even death) may occur in dance class. By enrolling your child in a class with SPARK DTTP, you are assuming the risks involved with taking a dance class, **including COVID-19**. You are fully aware of the risk associated with your child participating in classes, camps, and events, etc. with SPARK DTTP. You talk with your child about the risk and demand they listen to instruction from their teachers.

You acknowledge that you currently have and will continue to provide adequate insurance coverage for your child's protection.

You realize the risk of injury involved and hereby agree to assume the responsibility of such for said student and further agree to save and hold harmless SPARK Dance Team Training Program, its employees, and all others concerned, and to indemnify them against loss. You jointly and severally hereby forever release, discharge, and acquit SPARK Dance Team Training Program from any and all contracts, claims, suits, actions, or liabilities both in law and in equity specifically arising from, relating to or otherwise described as and limited to participation in any dance class including damages or injuries arising from or resulting from participation. This release shall be binding upon and inure to the benefit of the parties, their successors, assigns, and personal representatives. In case of emergency, you give your permission for emergency medical treatment.

Photo and Video Disclaimer: I hereby permit SPARK DTTP to use photos or video taken in class or at performances in which my child may appear. Photos and/or video may be used for promotional or other materials of SPARK DTTP without payment or other consideration made to me. Dancer's name will not be posted with photos or video.

If, at any time, the client/or the party responsible for making payments under this contract defaults by failing to make a payment on time, SPARK DTTP may hire counsel, employ a collection agency, file a suit in law or equity, and may immediately cease further performance under this contract, all at SPARK DTTP sole election. SPARK DTTP shall be entitled to an award of all attorney's fees and costs incurred in attempting to collect such debt.
