## Pre K and Kindergarten Winter Indoor Quick Facts

Union JUNIORS DEVELOPMENT ACADEMY is a SEASONAL enrollment program for the FALL, WINTER and SPRING for Pre K and Kindergarten aged players.. Players register for the seasonal period but they are encouraged to participate each season. Our goal for our program is to develop players in a positive environment with great coaches/curriculum. We want to attract players and families that will potentially want to play for Union KC Competitive teams in the future. This flier provides information for the WINTER Session.

**Information/Parent Packet:** If you want to know details about the program including philosophy, annual rhythm, fees, curriculum, etc...

**Practices and Frequency (Winter):** All of the age groups and genders for Union KC Jr's Development Academy will have two practice options per week in the winter. Players can attend one or both but our expectation is that they attend one per week. 1) Tuesdays at Homefield Olathe "Mini Pitches 3-4 from 6pm to 7pm. 2) Apex Sports Hub (Independence) on the large field from 6:30pm to 7:30pm on Wednesdays.

**Winter Practice Schedule** will begin November 10th. We will not practice the week of Thanksgiving nor will practice the last two weeks in December.

**kcsoccerONE Indoor League:** We will start league play the weekend of Dec. 5th. Games can be played on Fridays, Saturdays and Sundays. Games are played at Apex Sports Hub and/or Z Sports. 4v4 format

**Team Formation:** We will organize the groups into teams for the Winter League. However, we will have the groups practice prior to placing them. We want to see the kids, get to know them, solidify final numbers and we want to make teams that will work well with one another as well as fit in the league brackets.

### **Winter Development Academy Fees: November 10th through February**

Pre K (Aug 1, 2020 - July 31, 2021) and Kindergarten (Aug 1, 2019 - July 31, 2020) have a set fee of \$250. This fee includes all fees, coaches and a uniform top.
