

Homefield Kansas City and Union KC Soccer Club Announce Strategic Multi-Year Partnership

OLATHE, Kan., June 3, 2026 — Homefield Kansas City and Union KC Soccer Club today announced a new multi-year partnership that will establish Homefield Olathe as Union KC's primary indoor training and programming hub in Kansas while further enhancing youth soccer opportunities throughout the Kansas City metro.

Under the agreement, Union KC will oversee and operate six indoor turf fields year-round at Homefield Olathe, creating a consistent, high-quality environment for training, leagues, camps, clinics, and player development. The partnership also expands opportunities for Union KC members while maximizing utilization of one of the region's premier sports facilities.

Importantly, this partnership will not disrupt Homefield's current operations or programming. Existing organizations, teams, and individuals who currently rent turf space at Homefield Olathe will continue to have access to the facility and may continue renting those same spaces, with scheduling and rental coordination now being managed through Union KC.

In addition to serving as a year-round training destination, Homefield Olathe will become the home of the Union KC Fan Shop, further strengthening the club's presence in Johnson County and creating a central gathering place for players, families, and supporters.

"Homefield is excited to partner with Union KC Soccer Club to support the continued growth of youth soccer throughout the Kansas City region," said Kelce Ahern, Director of Operations for Homefield Kansas City. "This partnership represents a shared commitment to providing athletes and families with exceptional facilities, programming, and experiences. By combining Homefield's premier venue with Union KC's outstanding leadership and player development model, we believe this collaboration will create lasting value for the soccer community and further establish Homefield Olathe as a destination for youth sports in the Midwest."

"We are thrilled to expand our relationship with Homefield and continue growing our presence in Olathe through a partnership centered around one of the finest indoor sports facilities in the Midwest," said Chris Travalent, President of Union KC Soccer Club. "Reliable access to high-quality indoor training space is critical to serving our members, and this partnership allows us to create new opportunities for player development, programming, and community engagement. Homefield's commitment to excellence and the athlete experience aligns perfectly with our mission, and we are excited about what we can build together in the years ahead."

About Homefield Kansas City

Homefield Kansas City is a premier sports and training destination serving athletes, teams, and families throughout the region. The Homefield Olathe Training Center features approximately 270,000 square feet of state-of-the-art multi-sport space, including indoor turf fields, multi-purpose courts, performance training amenities, concessions, and event capabilities that support year-round athletic development, competition, and community engagement.

About Union KC Soccer Club

Union KC Soccer Club is a 501(c)(3) nonprofit youth soccer organization established in 2005 as KC Select. Originally based in Lee's Summit, Missouri, Union KC has grown to more than 120 teams and over 2,000 players across the Kansas City metropolitan area. The club serves boys and girls ages 3-19 through recreational, developmental, competitive, regional, and national-level programming, making it one of the largest and most successful youth soccer organizations in the region.
