Procedures for Scheduling Baptism

Since welcoming new Christian into the Church through baptism, is a community event, we do not schedule private baptism.

The packet should include the following documents:

1. Parents' Parishioner Registration number (if a member of this parish) or permission letter from their home parish to have their child baptized here at Corpus Christi
2. Baptismal Data Register Form (attached)
3. Birth Certificate for the child to be baptized
4. Church Marriage Certificate of parents (If parents are not married through the church, they are to set up a meeting with one of the Deacons)

Godparent Requirements: Two godparents max (one male and one female)

1. Godparent Form signed and sealed by the Catholic parish where godparents attend Holy Mass (form attached). This form provides declaration of each godparent that they fulfill the requirements of Canon Law (CC.874 &893) to be godparent.
 - i. If they are married, they should be married in the Catholic Church (Church Marriage Certificate is required).
 - ii. If they are single, they should have received the Sacrament of Confirmation (Confirmation certificate is required)
 - iii. Godparents should be in good standing with and active members of the Catholic church.
2. Parents and godparents must take a **MANDATORY Baptismal Preparation** Seminar. This seminar is in person, and it is offered once a month; **second Tuesday** in English and **Third Wednesday** in Spanish from 7pm-8pm. To register, please email the Baptismal coordinator

Once all required documents are complete, schedule an interview with the coordinator.

Baptisms will only be scheduled once all procedures have been completed.

Contribution:

\$100 for registered parishioners and

\$150 for those who are not registered.

Baptisms are scheduled at 2:30 p.m. on Sundays

- First, second, and fourth Sundays of each month in ENGLISH
- Third Sunday in SPANISH
