### Important Information About Payments

All class fees are paid **monthly in advance by Direct Debit**.

- Your child's total annual lesson cost is **spread equally over 12 months**, meaning you pay **the same amount every month** - no matter how many lessons fall in a given month.
  - This system simplifies payments, avoids termly fluctuations, and ensures your place is secured.
  - Please note: **Monthly payment is your notice** - by paying for the next month, you are confirming your place.
- 

### **Minimum Class Size**

Group classes require a **minimum of 6 students** to run at the standard rate. If numbers are below this threshold, we may offer the class at a higher rate, which will be communicated to families individually.
