WITH PURCHASE OF MACHINE ONLY

- State-of-the-Art. Ergonomic design, 7" capacitive touch LCD display, and intuitive user interface sets a new industry standard.
- Extra Transducers. Contains three transducers, providing reduced process times over single sensor units.
- Certified. For high voltage compressor service.
- Status Indicator. LED light indicates status visible from anywhere in the workshop.
- Smart. iOS and Android capable phone app allowing remote service session mirroring and advanced functions.
- Best In Class Serviceability. New ergonomic hinged service door simplifies unit service.
- Automatic Updates. Permanent wireless software updates, ensuring you always have the latest features.
- Remote Support for Technicians. Allows MAHLE to connect to a unit over WiFi for troubleshooting and advanced support.
