Morning Carline Purple Car Tag / Student Drivers

The diagram illustrates the carpooling process for the Afternoon Carline. At the top, a multi-lane road shows green arrows for 'GREEN CAR TAGS' entering the 'High School Lane (RIGHT lane only)'. A central box contains the title 'Afternoon Carline - GREEN Car Tag' and the pickup time 'Pick up at 3:10 pm'. Below this, a road with a left turn and a right lane is shown. A central box states: 'KP-5th Student must be picked up first. Please refer to other car tag color maps for pick up times.' To the right, a 'Parking Lot' is indicated. At the bottom, a road shows cars exiting the 'entrance' on the 'NORTH SIDE'. On the far right, a vertical road shows a green arrow moving forward to a red line, with a note: 'Green Hold here until directed to move forward'. Another note on the right says: 'Green pick up in right lane. Pull forward to red line.' Arrows indicate the flow of traffic and the sequence of events for pickup.
