CUBIC RATE

This applies to items which occupy 12 cubic feet or more but do not have a significant weight. These items will be measured for their cubic dimensions and rated at 22 lbs. per cubic foot. In lieu of a cubic charge, a base rate may be applied.

WAITING TIME

Additional charges will be added after 15 minutes for all standard rate deliveries.

HOURLY RATE	Hourly	Hot Shots (running km)
3/4 ton (min 1.75 hr base rate)	$45.00	$1.15
1 ton (min 1.75 hr base rate)	$50.00	$1.30
1 ton Cube Van with Power Tailgate (min 2.25 hr base rate)	$60.00	$1.40

For larger truck rates see our Trucking Rate Sheet

BASE RATES

A base rate is the minimum charge per job and is determined by the distance of the delivery. It includes travel to and from the jobsite but does not include any standby, loading or unloading time. Those are charged at the truck’s hourly rate.

FSC / CSC

Applies to all pricing and is posted on our website at www.actionexpressedm.ca

When specific equipment is requested or required, a base rate will apply.
Dedicated truck rates are 1.5 times the hourly rate (2 hr. minimum).
Dock level service is a minimum $50.00 in greater Edmonton, $100.00 elsewhere.
