

ASN 50TH ANNUAL MEETING

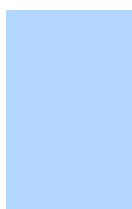

50 years of neuroimaging excellence

Preliminary Schedule

Ultrasound &
Structural
Neuroimaging
CME

Structural
Neuroimaging
CME

Ultrasound CME

Non-CME

Thursday, January 14

ASN Board Activities: **Invitation Only**

- 7:30 - 8:00 AM | Board Breakfast
- 8:00 AM - 4:00 PM | ASN Board Meeting
- 12:00 - 1:30 PM | Board & Advisory Lunch: C2N Focus Group/Round Table Discussion
- 2:00 - 4:00 PM | ASN Break Out Committee Meetings
- 5:00 - 5:45 PM | ASN Board Reception *Hosted by Hyperfine*
- 6:30 - 8:30 PM | ASN Board Dinner *Hosted by Neurelis*

Education Program: **Pre-Registration Required**

- 7:30 - 8:00 AM | Registration & Breakfast
- 8:00 AM - 4:00 PM | 7.0 CME | Ultra-Low Field Portable MRI Education Program
 - Dr. Reeta Achari- Integrated Neurology
 - Dr. Laszlo Mechtler- DENT Neurological Institute
- 12:00 - 1:00 PM | Lunch
- 3:00 - 5:00 PM | Exhibitor Set Up & Registration Desk Open

Total CME Available for Thursday, Jan. 14: Structural Neuroimaging - 7.0

Friday, January 15

General Activities

- 7:00 - 8:00 AM | Exhibitor Set Up & Registration Opens
- 7:30 - 8:00 AM | Coffee with Exhibitors, Abstracts & Silent Auction
- 7:30 AM - 5:00 PM | Exhibit Hall Open
- 7:30 AM - 5:00 PM | Registration Desk Open

Morning Sessions

- 8:00 - 8:45 AM | Neurelis Sponsored Breakfast
- 9:00 - 9:50 AM | 1.0 CME | **Keynote:** Low CSF Pressure Headache Imaging
 - Speaker: Dr. Ian Carroll- Stanford Medicine

Concurrent Morning Sessions (10:00 - 12:00 PM)

- 10:00 - 10:30 AM | 0.5 CME |
 - To Be Announced!
 - Imaging of Secondary Headache Disorders
 - Dr. Laszlo Mechtler- The DENT Institute
- 10:30 - 11:00 AM | 0.5 CME |
 - Wave of Excellence: The IAC-Accredited TCD Center
 - Headaches in Pediatric Patients Imaging
 - Dr. Jen McVige- The DENT Institute
- 11:00 - 11:30 AM | 0.5 CME |
 - Blueprints & Beams: Building an Ultrasound Lab
 - The Neuroimaging of Epilepsy
- 11:30 AM - 12:00 PM | 0.5 CME |
 - Scanning the Horizon: Where Can Sonography Take You? Professional Tracks for Sonographers
 - The Neuroimaging of Epilepsy Post Surgical Procedures

General Activities

- 12:00 - 1:00 PM | Sponsored Lunch
- 1:00 - 1:30 PM | Networking Break with Exhibitors, Visit Abstracts, Bid on Silent Auction

Concurrent Afternoon Sessions (1:30 - 4:00 PM)

- **1:30 - 4:00 PM** | 2.50 CME |
 - CT Workshop *pre-registration required*
- **1:30 - 2:00 PM** | 0.5 CME |
 - Following the Flow of Memory: TCD in Brain Aging & Dementia Care
- **2:00 - 2:30 PM** | 0.5 CME |
 - Has TCD Had Its Day? A Pro/Con Debate on its Role in Stroke Prevention & Management
 - Dr. Reza Bavarsad Shahripour- USC-San Diego
- **2:30 - 3:00 PM** | 0.5 CME |
 - From India to the World: Advancing TCD Practice
- **3:00 - 3:30 PM** | 0.5 CME |
 - Little Patients, Powerful Waves: TCD at the Pediatric ICU Bedside
- **3:30 - 4:00 PM** | 0.5 CME |
 - From Tilt to Flow: Clinical Applications of TCD in Autonomic Testing

Evening Events

- **4:00 - 4:30 PM** | Networking Break with Exhibitors, Visit Abstracts, Bid on Silent Auction
- **4:30 - 5:30 PM** | President's Reception
- **5:30 - 8:00 PM** | 2.5 CME |
 - TCD Workshop 1 *pre-registration required*

Total CME Available for Friday, Jan. 15: Ultrasound - 8.0 | Neuroimaging - 5.5

Saturday, January 16

General Activities

- **7:30 - 8:00 AM** | Coffee with Exhibitors and ASN Past Presidents, Visit Abstracts & Silent Auction
- **7:30 AM - 5:00 PM** | Exhibit Hall Open
- **7:30 AM - 5:00 PM** | Registration Desk Open

Morning Sessions

- **8:00 - 8:50 AM | 1.0 CME |**
 - Practice Point Sponsored Breakfast: Patient-Focused Strategies to Effectively Diagnose, Treat, & Manage NF1-PN

Concurrent Morning Sessions (9:00 - 11:30 AM)

- **9:00 - 9:30 AM | 0.5 CME |**
 - TCD Use Case Scenarios from the Low-Resource Settings
 - PET/SPECT
 - MEG & EEG
- **9:30 - 10:30 AM**
 - Delphi Workshop I *pre-registration required*
- **9:30 - 11:30 AM**
 - Eli Lilly Flortetapir Reader Training *pre-registration required*
 - TCD Workshop 2| 2.0 CME | *pre-registration required*
- **10:30 AM - 12:30 PM | 2.0 CME |**
 - Delphi Workshop II *pre-registration required*
- **11:30 AM - 12:00 PM | 0.5 CME |**
 - When Doppler Saved the Day: Stroke Cases in Action
 - Cognitive Impairment

General Activities

- **12:30 - 1:30 PM | Sponsored Lunch**
- **1:30 - 2:00 PM | Coffee with Exhibitors, Visit Abstracts, Bid on Silent Auction**

Concurrent Afternoon Sessions (2:00 - 4:30 PM)

- **2:00 - 3:00 PM | Non-CME |**
 - Talk Smarter, Scan Sharper: LLMs in Neuroimaging & Ultrasound Education
- **2:00 - 4:30 PM | 2.5 CME |**
 - MRI Workshop *pre-registration required*
- **2:00 - 2:30 PM | 0.5 CME |**
 - Carotid Curveballs: Spotting Non-Atherosclerotic Disease
 - Cognitive Impairment: Vascular, Infections, & Other Concerns for Cognitive Decline
- **2:30 - 3:00 PM | 0.5 CME |**
 - Waveforms to Intervention: TCD-Guided SAH Management

- ARIA
- **3:00 - 3:30 PM** | 0.5 CME |
 - Code Brain: Neurosonology in Emergency Medicine
 - New Imaging Protocols & Tumor Differentiation
- **3:30 - 4:00 PM** | 0.5 CME |
 - Scan Signal, Safeguard: TCD in the OR
 - Imaging of Tumor Cases
- **4:00 - 4:30 PM** | 0.5 CME |
 - MS Imaging on 7 Tesla MRI

Evening Events

- **4:30 - 5:30 PM** | Awards Reception & Silent Auction
- **5:30 - 6:30 PM** | Neuroimaging Jeopardy | 1.0 CME |
- **7:00 PM** | DENT Night Out

Total CME Available for Saturday, Jan. 16: Ultrasound - 7.0 | Neuroimaging - 7.0 |

Sunday, January 17

Morning Activities

- **8:00 - 9:00 AM** | Breakfast
- **8:30 AM - 12:00 PM** | Registration Desk Open

Concurrent Morning Sessions (8:00 AM - 12:00 PM)

- **8:00 - 9:00 AM** | 1.0 CME |
 - TCD in Cerebral Circulatory Arrest
- **8:30 - 9:00 AM** | 0.5 CME |
 - Communicating Imaging Findings to Patients & Their Families
 - NMO
- **9:00 - 11:00 AM** | Eli Lilly Quantification Training *pre-registration required (15 people limit)*
- **9:00 AM - 12:00 PM** | 3.0 CME |
 - Certainty in Silence: Mastering Brain Death Determination
- **9:00 - 9:30 AM** | 0.5 CME |
 - Stroke
- **9:30 - 10:00 AM** | 0.5 CME |

- Vessel Wall Imaging - CTA & MBA Vascular Imaging
- **10:00 - 10:30 AM | 0.5 CME |**
 - Common Movement Disorder Neuroimaging Cases
- **10:30 - 11:00 AM | 0.5 CME |**
 - Atypical Movement Disorder Neuroimaging Cases
- **11:00 - 11:30 AM | 0.5 CME |**
 - Medical & Legal Issues in Neuroimaging
 - Dementia
- **11:30 AM - 12:00 PM | 0.5 CME |**
 - How to Become an IAC Accredited Portable MRI Center
 - Dementia: When Vessels Steal Memory- the Vascular Contributions to Dementia

Total CME Available for Sunday, Jan. 17: Ultrasound - 4.0 | Neuroimaging - 3.5

Conference Summary

- **Total Conference Days:** 4 days
- **Maximum CME Credits Available:**
 - Ultrasound Track: 19.0 CME
 - Neuroimaging Track: 23.0 CME
- **Special Features:** Workshops, hands-on training, networking events, and industry-sponsored sessions

Note: Some sessions have limited capacity and require advance registration. CME credits are subject to attendance requirements. Schedule is subject to change.
