ASN 50TH ANNUAL MEETING

50 years of neuroimaging excellence

Preliminary Schedule

Thursday, January 14

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME

	Board Activities (*Invitation Only*)	Education	General Activities
7:30 - 8:00 AM	Board Breakfast	Registration Open & Breakfast	
8:00 - 8:30 AM	ASN Board Meeting	Ultra-Low Field Portable MRI Education Program (Pre-Registration Required) 7.0 CME Dr. Reeta Achari- *Integrated Neurology* Dr. Laszlo Mechtler- *DENT Neurological Institute*	
8:30 - 9:00 AM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	

Thurs., Jan. 14 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
9:00 - 9:30 AM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	
9:30 - 10:00 AM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	
10:00 - 10:30 AM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	
10:30 - 11:00 AM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	
11:00 - 11:30 AM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	
11:30 AM - 12:00 PM	*ASN Board Meeting continues*	*Ultra-Low Field Portable MRI Education Program continues*	
12:00 - 12:30 PM	Board & Advisory Lunch: C2N Focus Group/Round Table Discussion	Lunch	
12:30 - 1:00 PM	*Board & Advisory Lunch: C2N Focus Group/Round Table Discussion continues*	*Lunch continues*	

Thurs., Jan. 14 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
1:00 - 1:30 PM	*Board & Advisory Lunch: C2N Focus Group/Round Table Discussion continues*	*Ultra-Low Field Portable MRI Education Program continues*	
1:30 - 2:00 PM	*Board & Advisory Lunch: C2N Focus Group/Round Table Discussion continues*	*Ultra-Low Field Portable MRI Education Program continues*	
2:00 - 2:30 PM	ASN Break Out Committee Meetings	*Ultra-Low Field Portable MRI Education Program continues*	
2:30 - 3:00 PM	*ASN Break Out Committee Meetings continue*	*Ultra-Low Field Portable MRI Education Program continues*	
3:00 - 3:30 PM	*ASN Break Out Committee Meetings continue*	*Ultra-Low Field Portable MRI Education Program continues*	Exhibitor Setup & Registration Desk Open
3:30 - 4:00 PM	*ASN Break Out Committee Meetings continue*	*Ultra-Low Field Portable MRI Education Program continues*	*Exhibitor Setup & Registration Desk Open*
4:00 - 4:30 PM			*Exhibitor Setup & Registration Desk Open*

Thurs., Jan. 14 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
4:30 - 5:00 PM	ASN Board Reception Hosted by Hyperfine		*Exhibitor Setup & Registration Desk Open*
5:00 - 5:45 PM	*ASN Board Reception Hosted by Hyperfine continues*		
6:30 - 8:30 PM	ASN Board Dinner Hosted by Neurelis		

Friday, January 15

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
	General Activities	**Education**	**Education**
7:00 - 8:00 AM	Exhibitor Set Up & Registration Opens		
7:30 - 8:00 AM	Coffee with Exhibitors, Abstracts & Silent Auction		
7:30 AM - 5:00 PM	Exhibit Hall Open & Registration Desk Open		
8:00 - 9:00 AM	Neurelis Sponsored Breakfast		
9:00 - 9:50 AM		Keynote Speaker: Low CSF Pressure Headache Imaging 1.0 CME Dr. Ian Carroll- *Stanford Medicine*	
10:00 - 10:30 AM		Imaging of Secondary Headache Disorders 0.5 CME Dr. Laszlo Mechtler- *DENT Neurological Institute*	Two Journals, One Vision: Highlights from the Editors Dr. Aarti Sarwal- *VCU Health* Dr. Adnan Qureshi- *University of Missouri*

Fri. Jan. 15 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
10:30 - 11:00 AM		Headaches in Pediatric Patients Imaging 0.5 CME Dr. Jen McVige- *DENT Neurological Institute*	Wave of Excellence: The IAC-Accredited TCD Center 0.5 CME Marge Hutchisson- *Intersocietal Accreditation Commission*
11:00 - 11:30 AM		The Neuroimaging of Epilepsy 0.5 CME Dr. Nidhi Kapoor- *Baptist Medical Center/Creighton University*	Blueprints & Beams: Building an Ultrasound Lab 0.5 CME Dr. Ryan Hakimi- *USC School of Medicine-Greenville* Dr. Aarti Sarwal- *VCU Health* Dr. Charles Tegeler- *Wake Forest School of Medicine*
11:30 AM - 12:00 PM		Neuroimaging Considerations in Pre-Surgical Evaluation for Epilepsy Surgery 0.5 CME	Scanning the Horizon: Where Can Sonography Take You? Professional Tracks for Sonographers 0.5 CME Yelena Brooks- *VCU Health;* Toni Mullins- *NovaSignal;* Nicole Yakas- *Johns Hopkins;* Alyssa Miller- *Prisma Health*

Fri. Jan. 15 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
12:00 - 1:00 PM	Sponsored Lunch		
1:00 - 1:30 PM	Networking Break with Exhibitors, Abstracts, & Silent Auction		
1:30 - 2:00 PM		CT Workshop 2.5 CME (Pre-Registration Required)	Following the Flow of Memory: TCD in Brain Aging & Dementia Care Dr. Jiahn Kim- *Wake Forest University School of Medicine*
2:00 - 2:30 PM		*CT Workshop continues*	Should Every Successful Re-Canalization Get a TCD ? The TICI 2b-3 Dilemma 0.5 CME Dr. Reza Bavarsad Shahripour- *University of California-San Diego*

Fri. Jan. 15 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
2:30 - 3:00 PM		*CT Workshop continues*	From India to the World: Advancing TCD Practice 0.5 CME Dr. Methil Pradeep- *Eumed Hospital*
3:00 - 3:30 PM		*CT Workshop continues*	Little Patients, Powerful Waves: TCD at the Pediatric ICU Bedside 0.5 CME Dr. Taylor Nickerson- *Northwell Health*
3:30 - 4:00 PM		*CT Workshop continues*	From Tilt to Flow: Clinical Applications of TCD in Autonomic Testing 0.5 CME Dr. Aida Sehic- *VCU Health*
4:00 - 4:30 PM	Networking Break with Exhibitors, Abstracts, & Silent Auction		

Fri. Jan. 15 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME
4:30 - 5:30 PM	President's Reception		
5:30 - 8:00 PM			TCD Workshop 1 (Pre-Registration Required) 2.5 CME

Saturday, January 16

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
	General Activities	**Education**	**Education**	**Education**
7:30 AM - 5:00 PM	Exhibit Hall & Registration Desk Open			
8:00 - 8:50 AM		Practice Point Breakfast - Patient-Focused Strategies to Effectively Diagnose, Treat, and Manage NF1-PN 1.0 CME Dr. Laura Klesse- *UT Southwestern*		
9:00 - 9:30 AM		PET/SPECT 0.5 CME Dr. Nick Doher- *Cleveland Clinic*	TCD Use Case Scenarios from the Low-Resource Settings 0.5 CME Dr. Arvind Sharma- *Zydus Hospital*	Business Plan for Neuro-Interventional Procedures 0.5 CME Dr. Camilo Gomez- *University of Missouri*

Sat. Jan. 16
continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
9:30 - 10:00 AM		Eli Lilly Florbetapir Reader Training Non-CME (Pre-Registration Required)	TCD Workshop 2 2.0 CME (Pre-Registration Required)	Interventional Neurology Simulation Workshop Non-CME Dr. Camilo Gomez- *University of Missouri*
10:00 - 10:30 AM		*Eli Lilly Florbetapir Reader Training continues*	*TCD Workshop 2 continues*	*Interventional Neurology Simulation Workshop continues*
10:30 - 11:00 AM		*Eli Lilly Florbetapir Reader Training continues*	*TCD Workshop 2 continues*	*Interventional Neurology Simulation Workshop continues*
11:00 - 11:45 AM		*Eli Lilly Florbetapir Reader Training continues*	*TCD Workshop 2 continues*	*Interventional Neurology Simulation Workshop continues*

Sat. Jan. 16 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
11:45 AM - 12:15 PM		From CT to Deep Learning: Neuroimaging of Cognition & Behavior 0.5 CME Dr. John Absher- *Prisma Health*	When Doppler Saved the Day: Stroke Cases in Action 0.5 CME Dr. Kara Swafford- *University of Kentucky*	*Interventional Neurology Simulation Workshop continues*
12:00 - 12:30 PM				*Interventional Neurology Simulation Workshop continues*
12:30 - 1:30 PM	Sponsored Lunch			
1:30 - 2:00 PM	Networking Break with Exhibitors, Abstracts, & Silent Auction			

Sat. Jan. 16 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
2:00 - 2:30 PM	Talk Smarter, Scan Sharper: LLMs in Neuroimaging & Ultrasound Education Non-CME Dr. Tarun Srivastava- *VCU Health*	Neuroimaging in Cognitive Impairment: Beyond Neurodegeneration 0.5 CME Dr. Josh Klein- *Mass General Brigham*	Carotid Curveballs: Spotting Non-Atherosclerotic Disease 0.5 CME Dr. Mausamin Hathidara- *University of Pittsburgh*	MRI Workshop 2.5 CME (Pre-Registration Required)
2:30 - 3:00 PM	*Talk Smarter, Scan Sharper: LLMs in Neuroimaging & Ultrasound Education continues*	The Neuroimaging of ARIA 0.5 CME Dr. Bela Ajtai- *DENT Neurological Institute*	Waveforms to Intervention: TCD-Guided SAH Management 0.5 CME Dr. Brittany Kasturiarachi- *University of Cincinnati*	*MRI Workshop continues*

Sat. Jan. 16 continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
3:00 - 3:30 PM		New Imaging Protocols & Differentiation of Tumors 0.5 CME	Code Brain: Neurosonology in Emergency Medicine 0.5 CME Dr. Grigory Ostrovskiy- *Hackensack Meridian School of Medicine* Dr. Scott Sparks- *University of Maryland*	*MRI Workshop continues*
3:30 - 4:00 PM		Imaging of Intracranial Tumors- A Case Based Approach 0.5 CME Dr. Edmond Knopp- *Hyperfine*	Scan Signal, Safeguard: TCD in the OR 0.5 CME Dr. Zsolt Garami- *Houston Methodist*	*MRI Workshop continues*
4:00 - 4:30 PM		MS Imaging on 7 Tesla MRI 0.5 CME Dr. Jonathan Zurawski- *Harvard Medical School*		

Sat. Jan. 16
continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
4:30 - 5:30 PM	Awards Reception & Silent Auction			
5:30 - 6:30 PM		Neuroimaging Jeopardy 1.0 CME Dr. Zain Guduru- *University of Kentucky* Dr. Rani Vasireddy- *University of Kentucky*		
7:00 PM	DENT Night Out			

Sunday, January 17

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
	General Activities	**Education**	**Education**	**Education**
8:00 AM - 12:00 PM	Registration Desk Open			
8:00 - 8:30 AM	Breakfast	TCD in Cerebral Circulatory Arrest 1.0 CME Dr. Alexandra Reynolds- *Hackensack University Medical Center* Dr. Aarti Sarwal- *VCU Health* Dr. Jimmy Suh- *Medical University of South Carolina*		
8:30 - 9:00 AM		*TCD in Cerebral Circulatory Arrest continues*	Communicating Imaging Findings to Patients and Their Families 0.5 CME Dr. Monika Ambrus- *DENT Neurological Institute*	NMO 0.5 CME Dr. Gabriella Szatmary- *University of North Carolina- Chapel Hill*

Sun. Jan. 17
continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
9:00 - 9:30 AM		Certainty in Silence: Mastering Brain Death Determination 3.0 CME (Pre-Registration Required) Dr. Palmer Greene- *Emory University* Dr. David Greer- *Boston University* Dr. Vashist Srinivasan- *University of Washington*	Eli Lilly Florbetapir F 18 Quantification Training Non-CME (Pre-Registration Required)	Unravelling the Web: Improving Carotid Web Detection with Multimodal Imaging 0.5 CME Amanda Phillips, RVT, NVS- *Prisma Health*
9:30 - 10:00 AM		*Certainty in Silence: Mastering Brain Death Determination continues*	*Eli Lilly Quantification Training continues*	Vessel Wall Imaging- CTA & MBA Vascular Imaging 0.5 CME Dr. Abbas Kharal- *Cleveland Clinic*
10:00 - 10:30 AM		*Certainty in Silence: Mastering Brain Death Determination continues*	*Eli Lilly Quantification Training continues*	Surgical Considerations in Neuroimaging of the Spine 0.5 CME Sumeer Lal, MD- *Self Regional*

Sun. Jan. 17
continued

Ultrasound & Structural Neuroimaging CME	Structural Neuroimaging CME	Ultrasound CME	Non-CME	
10:30 - 11:00 AM		*Certainty in Silence: Mastering Brain Death Determination continues*	*Eli Lilly Quantification Training continues*	Movement Disorder Neuroimaging Cases 0.5 CME Dr. Zain Guduru-*University of Kentucky*
11:00 - 11:30 AM		*Certainty in Silence: Mastering Brain Death Determination continues*	Neuroimaging of Typical and Atypical Movement Disorders 0.5 CME Dr. Rani Vasireddy-*University of Kentucky*	Medical & Legal Issues in NI 0.5 CME Dr. Dara Jamieson-*Weill Cornell Medicine*
11:30 AM - 12:00 PM		*Certainty in Silence: Mastering Brain Death Determination continues*	Dementia: When Vessels Steal Memory: the vascular contributions to dementia 0.5 CME Dr. Judy Dawod-*University of Arizona*	How to Become an IAC Accredited Portable MRI Center 0.5 CME Darlene Humphreys-*Intersocietal Accreditation Commission*

Conference Summary

- **Total Conference Days:** 4 days
- **Maximum CME Credits Available:**
  - Ultrasound Track: 19.0 CME
  - Neuroimaging Track: 21.0 CME
- **Special Features:** Workshops, hands-on training, networking events, and industry-sponsored sessions

Note: Some sessions have limited capacity and require advance registration. CME credits are subject to attendance requirements. Schedule is subject to change.
