

Good luck to everyone taking the RPNi and NVS exams Feb. 5-10!

Happening Friday, Feb. 6, 2026: Deep Dive into Neuro-Oculomics

Dr. Laszlo Mechtler and The American Society of Neuroimaging invite you to attend the next of our biweekly Educational Rounds: "Neuro-Oculomics & Neuroimaging" with Dr. Gabi Szatmary.

The series can be accessed using the zoom link below and is CME ACCREDITED. We look forward to you joining us Friday at noon.

"Neuro-Oculomics & Neuroimaging"

Friday, February 7, 2026 from 12:00 to 1:00pm EST

Webinar Link [Here](#)

Biography:

Dr. Szatmary's training background is in ophthalmology in Hungary and neurology in the US. She completed her Neuro-Ophthalmology fellowship at the Emory Eye Center in Atlanta, GA. Prior to joining UNC Ophthalmology, Dr. Szatmary's cross-disciplinary expertise applied to a range of physician roles in neuro-ophthalmology, neurology, and neuroimaging.

Dr. Szatmary continues to hold an appointment at the University of Mississippi Medical Center Department of Ophthalmology as an Affiliate Professor of Ophthalmology. She is also an ongoing Consultant Neuro-Ophthalmologist for her alma mater — Semmelweis Medical University in Budapest, Hungary. At the Hattiesburg Clinic Department of Neurology (Hattiesburg, MS), she served as Director of Neuro-Ophthalmology and as Neuroimaging Fellowship Director. Dr. Szatmary also served as Director of Stroke Services at Forrest General Hospital in Hattiesburg.

Dr. Szatmary's wealth of cross-disciplinary experience includes direct teaching and conference presentations in Ophthalmology, Neurology, Neurosurgery, Neuroradiology and Neuro-Ophthalmology. She is widely published in neurology and neuro-ophthalmology, has served in a range of leadership capacities in neuro-ophthalmology and neuroimaging organizations, and has held multiple editorial positions for peer-reviewed neurology and neuro-ophthalmology publications.

Accreditation Statement:

ASN Web Conferences are CME-approved. Neuroimaging CME obtained by attending these conferences may be used towards fulfillment of UCNS and ICAMRL certification and lab accreditation requirements, respectively. For your attendance to be counted towards CME credit for this activity, please fill out the attached SUNY Buffalo CME registration form and forward a scanned pdf version to this email address. Following receipt of your CME registration form, you will be automatically credited for each conference that you attend for the remainder of the academic year (if faxing or mailing the form directly to SUNY Buffalo, please also inform me via email; if I am not notified, your credits will not automatically be credited and you will need to send each of your attendance sheets directly to SUNY Buffalo no later than 30 days after each Web Conference). Official documentation of your earned CME credits may be obtained in June, at the end of each academic year, for a small fee.

The University at Buffalo (UB) School of Medicine and Biomedical Sciences is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA/PRA DESIGNATION STATEMENT

The UB School of Medicine & Biomedical Sciences designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Patience Please! We're Updating Our Membership System

We're currently upgrading the ASN membership system to better serve YOU. Thank you for your patience as we complete this transition. In the coming weeks, you'll receive an email with instructions on how to create your new account and access your member benefits.

These updates will help us deliver a smoother, more reliable experience and strengthen the value of your ASN membership.

Save the Date - ASN's 50th Annual Conference

Join us as we celebrate five decades of excellence in neuroimaging in a place where the ocean greets you with a soft breeze, the moss-draped oaks whisper history, and every smile carries a touch of Southern hospitality. Whether you're attending to learn, connect, or simply breathe in the salt air, we're delighted to have you join us in a place where warmth isn't just the weather — it's a way of life."

The ASN's 50th Annual Conference will be held January 15-17, 2027, at the Omni Hilton Head Oceanfront Resort in Hilton Head, SC.

Share Your News!

Our members are doing incredible things every day—publishing groundbreaking research, earning awards, launching programs, leading teams, mentoring trainees, and advancing neuroimaging in countless ways. We want to celebrate those achievements.

If you have professional news you'd like to share, send it our way. We'll highlight member accomplishments in upcoming issues of the ASN Newsletter and across our social media channels to showcase the impact of our community.

Whether it's a new publication, a career milestone, a successful project, or recognition you've received, we'd love to feature it.

 **Submit your good news:** carolyn@asnweb.org

Let's celebrate the progress and leadership of our members together.
