Presenters Needed for the 50th ASN Annual Meeting

The ASN Annual Meeting Planning Committee is opening a **call for presentations** for the 2027 ASN Annual Meeting!

We are looking for topics you are interested in presenting and you think others will enjoy learning more about! This could include clinical topics, hot topics, interesting cases, innovations in science and technology, and more. Time slots will range from 30-min to 1-hour sessions.

The ASN Annual Meeting will take place January 15-17, 2027 in Hilton Head, SC. You must be available to present in-person.

Please submit your presentation proposal no later than **July 1, 2026** for consideration.

Elevate Your Visibility at the 2027 ASN Conference

The **2027 Exhibitor and Sponsor Prospectus** is now available, offering a full overview of high-value opportunities to elevate your organization’s visibility and impact within the neuroimaging community. Whether you’re looking to strengthen brand recognition, engage directly with attendees, or support key programming, the prospectus outlines a range of strategic sponsorship and exhibiting options.

Position your organization where innovation and leadership meet.

Download the 2027 Exhibitor and Sponsor Prospectus to explore how you can make a meaningful presence at next year’s event.

Get Certified on *Your* Schedule — Take Your RPNi or NVS Exam Anytime for Only \$100 More

Taking your **RPNi** or **NVS** certification has never been more convenient. With our flexible scheduling option, you can complete your certification exam at any time that fits your needs for an additional \$100 fee. This added flexibility is designed to support busy professionals who want to advance their skills without disrupting their routine. Whether you’re looking to enhance your

credentials or meet industry requirements, this option gives you the freedom to move forward on your own timeline.

Laszlo Mechtler, M.D., FEAN, FASN, FAHS,
Chief Medical Officer of the DENT
Neurologic Institute, Professor of Neurology,
Neurooncology, and Neurosurgery, invites
you to attend this bi-weekly webinar.
