# 2 About Us....

## About Atlantic Photo Supply...

Atlantic Photo Supply was founded in 1942 and is the only professional printing lab in Atlantic Canada. We serve professional photographers from all over our region as well as a large and loyal consumer base for *all* their photographic printing and camera needs. We are proud to be part of the national buying group, Foto Source, allowing us to offer you competitive pricing while remaining independently owned and operated.

In 2012 Atlantic Photo Supply went through a major expansion with the opening of a brand new retail store in downtown Halifax, while at the same time building a new production facility and retail store in the Burnside Industrial Park in Dartmouth.

Our lab provides a broad range of product offerings on both traditional photographic silver halide paper as well as canvas and fine art media, digital restoration and/or manipulation, mounting and laminating and print finishing. We offer Custom Framing at both our locations. Our sublimation lab gives our customers the ability to have their images printed on everything from coffee mugs and water bottles to aluminum and slate.

We offer a number of choices for customers to transmit images to us for printing. From our consumer based Photo Factory on-line printing platform to our professional platforms, WorkStream and ROES, we have a printing solution that easily allows our customers to create amazing photo products and upload them with the click of a button.

Atlantic Photo Supply offers a great selection of cameras and related products from Nikon, Fuji, and Panasonic. We carry a wide variety of photo accessories from lenses to tripods, lighting equipment and of course, a wide selection of frames and albums. We are the largest telescope dealer in Atlantic Canada with a large number of scopes from Celestron and SkyWatcher stocked and on display.

Atlantic Photo Supply continues to search for new and innovative products and services that allow us to stay at the leading edge of our industry and deliver them with an on-going commitment to our core values of service and quality.

# Lab Services

## Luster Prints

Our standard digital prints are produced in our lab with the greatest care taken in calibration and balancing of our equipment. We use Fuji Crystal Archive Super PD Luster , a silver halide paper with a wider colour gamut and tonal range. Our process ensures that your prints are as archival as possible, adding to the value of your image by allowing it to last for future generations to enjoy. At APS we take the final quality of the latent image seriously and our colour management procedures are the backbone of the quality our customers have come to expect and deserve. **Turn-around: 48 hours** (Times may vary during peak seasons.)

Available on Luster finish through our online ordering system, or from CD, Flash Memory cards and USB drives.

## Pearl/Metallic Prints

Fuji Pearl paper is sometimes called metallic, and is truly a paper that can make images with rich colours “pop”, giving a vivid reproduction of any subject. It is a glossy paper that has an almost chromogenic look.

For those who don't want a glossy finish we recommend you mount the print on our smooth mount board and laminate it with our classic leather finish.

### Turn-around: Printed on Tuesdays

(Please allow additional turn-around time if image is being mounted and laminated.)

### Scan From Negs/Slides and COPY PRINTS

Prices apply to previously processed, **INDIVIDUAL Negs or slides** and **COPY PRINTS**.

Copy Prints require a scan. Use these codes and prices, then the code for the print size requested from the Luster Price Page.

These individual scans offer a higher quality line-screen scan than our bulk scanning service.

Quantity	Up to 8x12	Code	10x13 -12x18	Code
1 Neg or Slide	<b>8.00</b>	6964	<b>11.00</b>	6969
	Transfer to USB		<b>7.00</b>	6936

**For Old Negs/Slides Larger than 3.75 x 4.75 inches wide...**

These have to be scanned in the Digital Lab.

There is a **\$25.00** set-up fee (9875 code) and **\$8.00/scan** (6964 code), + USB @ **\$7.00**

# High Res Scanning

From scanning, right through to the final print, we're dedicated to producing the best possible scans and reproductions of your artwork.

Our high resolution professional scanner will capture every detail of your film, transparency or print original.

Scan sizes and costs are based on **300 dpi, 8 bit colour** and include basic colour correction and dust clean-up.

**Scan requests for higher dpi (i.e 600 dpi) will cost more.**

Burning, dodging, repairs of scratches, excessive dirt, dust or negative damage and specific colour matching are subject to extra digital retouching fees, by quotation.

**Turn-around: 7-10 Business Days**

**NOTE:** Add \$7.00 to transfer file to USB (code 6936)

**Great for wall murals, wallpaper, booth displays,  
fine art, indoor/outdoor signage and more!**

This material can be applied to almost any surface and remain adhered for either short or long term use. It can be re-used as many times as you want, without any loss of tack. Resists shrinking, curling, ripping and wrinkling. And...it won't leave a sticky residue on the wall after removal!

# Canvas Prints

## Museum Quality Canvas Wraps

Our museum grade canvas is OBA and acid free, 450 gsm, 19 ml archival, bright white canvas medium that is suitable for both photographic and art reproduction.

Prints are varnished with a non-yellowing, water-proof medium to preserve, protect and enhance your image.

Stretched canvas prints are available with both 3/4" (Regular) and 2" (Gallery) stretcher bars.

**Note:** *Canvas is a natural fiber and may have irregular bumps or weave for which we are not responsible.*

**Turn-around: 10 Business Days**

1" Regular Stretch  
2" Gallery Stretch

2" Gallery Stretch  
(with Black Borders)

2" Gallery Stretch  
(with Image Wrap)

**Note: Image Wrapped Canvas requires a much looser crop than normal.**

### Regular Stretch

1. Add 2.25 inches to each dimension in your crop.  
(ie. 16 x 20 would become 18.25 x 22.25)

### Gallery Stretch

1. Add 4.25 inches to each dimension in your crop.  
(ie. 16 x 20 would become 20.25 x 24.25)

# Floater Frames

Complete your stretched canvas prints with our floating frames.

These frames make your canvas print appear suspended, separating the canvas from the moulding for a truly complete presentation. Floater framed prints come ready to hang. *Available in Black only*

**Note:** Floater Frames require two *additional* united inches to allow for the space between the frame and canvas.

# Print Finishing

## Enhance, Preserve and Protect Your Images...

Add a professionally finished look to your prints with our variety of mounting materials and protective laminates. Photo prints that are larger than 11 x 14 and intended for framing under glass should be mounted and laminated. In an environment with excessive heat and humidity, a large unmounted print can expand and contract over time causing it to ripple and sag, or even worse, stick to the glass it's framed under. When framing without glass, the laminate shields the print from moisture and dirt. Laminated prints can be easily cleaned with a soft, damp cloth. **Turn-around: 48 hours**

## Mounting & Lamination

### MOUNTING...

#### SMOOTH MOUNT

1/16" black board. Completely smooth surface! Smooth Mount is best suited for gloss prints or when your frame requires a thinner mount board.

### LAMINATION...

#### PEARL

Pearl is best suited for photographic quality images that will be viewed indoors under direct lighting conditions.

#### LEATHER

Our most popular laminate! It will not alter the color or sharpness of the original print. The most common application for leather lamination is portrait photography.

# Plaque Mounting

Plaquemounting is a popular and economic alternative to framing that looks good and lasts! This is a great option for photos, certificates/awards, posters, newspaper clippings, and any other paper-based media.

Images are mounted on 3/8" hardboard, cut to the exact size of your artwork. The edges are beveled and the surface is laminated, which seals and protects your piece from wrinkling, staining, or mildewing. The surface is washable, and the edges are available in a variety of colors (black, white, red, green, blue, brown, grey, silver, and gold).

**Turn-around: 15-20 Business Days**

12x12 (50+).....**\$14.49** (9400)

16x20 Poster Calendar....**\$34.99** (9380)  
16x20 " " (2+).....**\$29.99** (9381)

Turnaround: 3-5 Days

### Coasters

Set of 4 hardboard square coasters with cork bottom.

White glossy, durable, washable, dry-erasable surface that stands up to drips and spills!  
Size: 3.75" x 3.75" x 0.0625"

Coaster Set.....**\$19.99** (90056)

Turnaround: 3-5 Days

### Cuff Bracelet

Large white gloss aluminum that is formed into a cuff bracelet with rounded corners.

Size (S): 6.625" x .5" x .045"  
Size (M): 6.625" x .75" x 0.45"  
Size (L): 6.625" x 1.625" x .045"

Bracelet.....**\$21.99** (90089)

Turnaround: 3-5 Days

### ID/Keychain Tags

One-sided stainless steel, white gloss coating for sublimation of your favorite image. Comes with a 30" bead chain.

Size: 2" x 1.125"

Tag or Keychain.....**\$14.29** (90082)

Turnaround: 3-5 Days

### Keychain

Square, gloss fiberglass reinforced plastic with split metal key ring and plastic snap, 2 sided with rounded corners.

Size: 2.25" x 2.25" x 0.090".....**\$10.99** (90085)

Turnaround: 3-5 Days

### Koozie/Koozie Wrap

Hugger or wrap insulator for 16 oz. cans; two sided white outer surface adhered to inner Neoprene Rubber insulator; foldable with sewn seams and slotted bottom. Wrap has black trim and a velcro closure.

Koozie Size:  
4.25"x6.625".....**\$10.99** (90057)  
Wrap Size:  
3.75"x10".....**\$10.99** (90055)  
(Image Size 8.6"x3.6")

Turnaround: 3-5 Days

### License Plate

Made of fiberglass reinforced plastic; has four slots for easy mounting. Formulated to last outdoors about 18-24 months before any noticeable fade.

Size: 6" x 12".....**\$16.49** (90065)

Turnaround: 3-5 Days

### Luggage Tag

Fiberglass reinforced plastic with UV resistant top coat. Double sided with pre-cut slot and rounded corners. Great for luggage, travel, and golf bags!

Available shapes: Rectangle or Square

Rectangle Size: 3" x 5.5" x 3/32"  
Square Size: 3.5" x 3.5" x 3/32"

Turnaround: 3-5 Days

Rectangle Tag.....**\$14.29** (90084)  
Square Tag.....**\$14.29** (90083)

### Mouse Pad

Deluxe mouse pad with white polyester imaging surface.

Backing colour: Black only  
Size: 7.75" x 9.25" x 0.25"

Mousepad.....**\$14.29** (90061)

Turnaround: 3-5 Days

### Travel Mug

14oz white stainless finish mug. Sublimatable across surface of the mug. Not dishwasher safe. Resilient plastic lid, handle, and base.

White Only.....**\$31.89** (90052)

Turnaround: 3-5 Days

### Mug-Classic White

White ceramic mug. UV protected, FDA compliant, microwave and dishwasher safe.

Available sizes: 11oz and 15oz

11oz.....**\$16.49** (90044)  
15oz.....**\$19.79** (90043)

Turnaround: 5-7 Days

### Ornament

White gloss aluminum ornament with red ribbon; double sided.

Available shapes:  
Benelux/Elegant (3.95" x 2.76")  
Snowflake (2.9" x 2.9")
