

## Sample Menu From Past Events:

### Cocktails

#### Colomba

Suerte Tequila Blanco, Don Ciccio & Figli Prickly Pear Liqueur, Cactus Flower, Agave, Lime, Club Soda, Sweet n' Salty Rim, Dehydrated Orange Wheel

*This cocktail would take you back to the history of well-made artisanal Liqueur's from the Amalfi Coast if tequila were in the mix of the classic Paloma Cocktail. Good enough to be the original tequila dove cocktail. Be prepared to have all five taste sensations triggered in this delectable liquid creation.*

#### NOBLE FASHION

Old Forester Signature 100 proof Bourbon, Sibona Amaro, Leopold Bros. Michigan Tart Cherry Liqueur, Cane Sugar, Angostura bitters, Bitter cube orange bitters

*A new rival on one of the classic cocktails with whiskey, bitters, and sugar, it has that Old-Fashioned feel but with quite a bit more complexities with an Italian Amari and the tart fruit from the cherry liqueur.*

#### MONKEY WRENCH

Monkey Shoulder, Eagle Rare Single Barrel Bourbon, Cardamaro Vino Amaro, Cocchi Dopo Teatro Vermouth Amaro, Rhubarb Bitters, Lemon Twist

*Suppose someone or something throws a wrench into the works. In that case, they cause problems that prevent something from happening from the original plan; with every attempt to throw a monkey wrench into this liquid libation, "success," with the perfect marriage of Scotch, Bourbon, and Amari in this complex yet simple whiskey creation.*

#### INDUSTRY

Green Chartreuse, Campari Bitter Liqueur, Amaro Nonino, Belvedere Vodka, Lemon Twist

*A complimentary notion, this very well could have been that industry shot that you get from that Bartender as a compliment between craft bartenders, but slightly polished and very much refined; herbal forward, bigger, elegant, with vodka to tone down the bite.*

# ELABORATE BARTENDER

## RUBINO

Breckenridge Vodka, Strawberry Mint Nectar, Limonata San Pellegrino, Mint Bouquet

*The strawberry nectar is an elegant color of a ruby. Translates to Rubino in Italian, and somehow on your first sip, you are transported to a gondola ride in Venice, Italy.*

## GRAFFITO

Illegal Mezcal Reposado, Del Maguey Vida Mezcal, Distilleria Gualco Soldatini Amaro, Lejay Crème de Cassis, Varnelli Dell'abrosita

*Graffito just screams elegance and the underappreciated or slightly misunderstood Mezcal spirit, just like graffiti art. A portrait of a flavorful smoky, fruit-forward, bittersweet libation.*
