

PRIVACY / POLICY

1. Company details:

Naam: Fenix Transport & Logistics / Fenix Ride

Website: <https://fenixride.com>

2. Phone number:

Your phone number will only be used for essential communications and not for commercial purposes. We guarantee confidentiality and will not share your number without your consent, unless required by law.

3. E-mail address:

Under the terms of a concluded contract, unless you have objected to the provision of your data, we have the option of making proposals to you with regard to similar products and services. The moment of data provision marks the occasion on which you have the option to object. In addition, with any form of communication, you have the opportunity to object to further use of your e-mail address under the same conditions. Your e-mail address will only be used for relevant communication. We protect confidentiality and do not share your address without your consent, except as required by law.

4. Postadres:

Your postal address will only be used for necessary correspondence and your application. We maintain confidentiality and do not share your address without your consent, except as required by law.

5. Personal data:

We attach great importance to the protection of your personal data and would like to inform you about how we process it. Your personal data is only collected for specified, lawful purposes, and we limit its use to what is strictly necessary. We do not share your personal data with third parties without your explicit consent, except when required by law.

6. Transfer and Receive of Data:

a. When you provide personal data to us, we assure you that this data will be treated with the utmost care. Your data will not be transferred to third parties without your explicit consent. In the case of data transfers to third parties for specific purposes, we ensure that these parties comply with strict privacy and security standards.

b. To prevent the loss, unauthorized use or unauthorized modification of this information, we have implemented strict security measures. Our systems are designed with the latest security technologies to ensure the confidentiality and integrity of your data.

7. Data Storage Policy:

Your data is carefully stored on secure servers, where we apply strict measures to ensure confidentiality and integrity. The storage is in accordance with applicable laws and regulations. We will only retain your data for the period necessary for the purposes for which it was collected, unless a longer retention period is required by law. Access to your stored data is restricted to authorized personnel and any third parties involved in the performance of specific tasks.

8. Data Access Policy:

On request, we provide visitors to our website with information about the personal data that we process about them. Any incorrect data can be corrected, supplemented or deleted. If you wish to access this information or correct your personal data, please contact us at the address below. We are ready to assist you and ensure that your details are accurate and up-to-date.
