# POWDER HOUNDS

## Winter 23/24 Guide

BGCNLT's Powder Hounds Program provides accessible and safe opportunities for local youth to ski and ride. All of our programs are instructor-led and equipment is provided.

Most programs are \$100 for four-five days on the mountain!

## What is Powder Hounds?

Each winter season, Boys & Girls Club of North Lake Tahoe offers a number of ski, snowboard and cross-country programs for local youth. Palisades Tahoe and Northstar are weekend programs, while all of our other programs are held on weekdays after school. Our goal is to offer opportunities for youth to have affordable, fun, and memorable experiences by enjoying all our region has to offer. These programs would not be possible without support from Epic Promise, Nevada Nordic, our local resorts and volunteers. Continuous support from Share Winter Foundation has allowed us to expand our programs overtime.

- Most participants are assigned to one of the two sessions (\$100 per session)
- parents are responsible for dropping-off their child at the resort in the morning
- open to all levels of skiers/riders
- lesson, lift ticket, equipment provided
- youth must bring a packed lunch
- program days are roughly 8 am - 2:30 pm

## 23/24 Lottery Application

In order to provide equal access and accommodate high demand, BGCNLT requires parents to fill out a lottery application prior to participating in Palisades or Northstar programs. The application will be open on Nov. 13, 2023 at 12 pm and can be found on BGCNLT.org (application closes Nov 20 at 12 pm). Paper applications are also available at each site. If awarded a spot, parents will be notified of their child's session assignment via email by Nov 29. Both programs are \$100 (scholarship is available). Please keep in mind that your child's attendance is essential to our programs, and failure to attend all session days can impact your child's ability to participate in Powder Hounds in the future.
