WHO WE ARE

Signature Technologies is a small business with decades of experience in Telecommunications and IP Networks. We provide installation and maintenance of Phone, Computer, and Camera systems, hardwired or on IP networks.

We also provide security and backup for the entire network. Founded in 2010, we pride ourselves in giving personal service to all our customers.

Our VoIP service under our branded name - SigtelVoIP - provides a "Clear as a Bell" connection at a rate of 99.999% UpTime and is backed by award winning Intermedia Unite Hosted systems. We committed to the Ultimate customer experience with reliable service and dependable staff.
