Vision in Leadership Changes Everything

The Chamber Invested Leaders Council Letter of Intent

Your support + Our Mission = Community Impact Now!

What is an Invested Leader Investment?

The Chamber's tiered investment structure offers the option of four levels of investment. The value and benefit of investment builds with each increasing tier. Invested Leader participation is limited. Only 7 to 9 Investors are accepted. No similar industry/business will be a part of the program at the same time.

Why Tiered Investment?

The Chamber designed this system to help you, our investor, enter the Chamber Invested Leaders Council at a level that best suits your company's need to align yourself with other visionary leaders in our community. It is our way of recognizing that the Woodland Park/Teller County region would not be where it is today without your leadership. Your Chamber is dedicated to a mission advocacy for business. We know our job is to lead – to strengthen area businesses through robust programs and services and to help build the confidence business needs to expand and grow jobs. Your investment is vital to our efforts.

When do Tiered Investments Begin?

They begin on the 1st day of January 2025.
